MacArthur 2-in-1 John F. MacArthur 2014-10-28

The Truth War Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In *The Truth War* John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. *Strange Fire* What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

*Strange Fire* John F. MacArthur 2013-11-19 In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of

health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Mysteries of the Anointing Benny Hinn 2022

"How can some ministers whose personal and spiritual lives are dried up and in shambles still operate in the anointing and continue to minister with power? Pastor Benny Hinn asked this question during a season of personal trial, and his quest lead him to an in-depth understanding of three "rivers," or types, of anointing in Scripture: the anointing within you (1 John 2:27), the anointing upon you (Acts 1:8), and the global anointing, which builds up and destroys nations (Isa. 10:27). In this book Hinn explores these three types of anointing, sharing personal stories of things he learned firsthand from Kathryn Kuhlman and Oral Roberts, as well as providing biblical and historical examples that illustrate his teachings"--Back cover.

*Who wants to be a Millionaire?* Emanuel Anim 2020-01-01 Prosperity Teaching is fast becoming a standard part of contemporary African Christianity. This teaching is best understood in the Charismatic and Pentecostal churches in Africa. The varied expressions and nuances call for a critical analysis of the phenomenon. Prosperity Teaching affirms wealth, divine healing, good health and long-life as manifestations of God's blessing. Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God's sovereignty. This book, *Who Wants to be a Millionaire?* seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society.

**The Anointed and his Anointing** Dag Heward-Mills 2016-05-01 The treasure of the anointing is in the anointed. The anointing is inseparable from the man who is anointed. The anointing is in the man of God! The anointing is with the man of God! The anointing is upon the man of God. This new and exciting book by Dag Heward-Mills will thrill the hearts of those who seek the anointing.

*Christianity in Crisis* Hank Hanegraaff

2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more

damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God"—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

*African Charismatics* Johnson Asamoah-Gyadu 2004-10-01 This volume examines Pentecostal/charismatic renewal in an African context. Ghanaian Pentecostalism in its modern charismatic form has become the most visible expression of renewal within indigenous Christianity. The book first articulates the contribution of the older African initiated churches (AICs) to local Christianity arguing

that, in spite of a present decline, the AICs have left an enduring theological imprint on indigenous Christian expression. Furthermore, it accounts for the rise of the new independent churches, the charismatic ministries. These have been proliferating across the West Africa sub-region since the late 1970s. In addition to this, the book explores how the emphases of the new Ghanaian charismatics—internationalism, transformation, prosperity, healing and deliverance—provide useful insights into the nature of modern African Pentecostal spirituality.
