Business Communication: Essential Strategies for 21st Century Managers, 2e

Verma Shalini 2014 This book Business Communication: Essential Strategies for Twenty-first Century Managers brings together application-based knowledge and necessary workforce competencies in the field of communication. The second edition utilizes well-researched content and application-based pedagogical tools to present to the readers a thorough analysis on how communication skills can become a strategic asset to build a successful managerial career. With the second edition, Teaching Resource Material in the form of a Companion Website is also being provided. This book must be read by students of MBA, practicing managers,

executives, corporate trainers and professors. KEY

FEATURES • Learning

Objectives: They appear at the beginning of each chapter and enumerate the topics/concepts that the readers would gain an insight into after reading the chapter • Marginalia: These

are spread across the body of each chapter to clarify and highlight the key points • Case Study 1: It sets the stage for the areas to be discussed in the concerned chapter • Case

Study 2: It presents real-world scenarios and challenges to help students learn through the case analysis method • Tech

World: It throws light on the latest advancements in communication technology and

how real-time business houses are leveraging them to stay ahead of their competitors • Communication Snippet: It

talks about real organizations/people at workplaces, their on-job

communication challenges and their use of multiple communication channels to gain a competitive edge • Summary: It helps recapitulate the different topics discussed in the chapter • Review and Discussion Questions: These help readers assess their understanding of the different topics discussed in the chapter • Applying Ethics: These deal with situation-based ethical dilemmas faced by real managers in their professional lives • Simulation-based Exercise: It is a roleplay management game that helps readers simulate real managers or workplace situations, and thereby enables students to apply the theoretical concepts • Experiential Learning: It provides two caselets, each followed by an Individual Activity and a Team Activity, based on real-time business processes that help readers 'feel' or 'experience' the concepts and theories they learn in the concerned chapter to gain hands-on experience • References: These are given at the end of each chapter for the

concepts and theories discussed in the chapter

Christina Quinlan joins William Zikmund, Barry Babin, Jon Carr and Mitch Griffin in this new first edition of Business Methods, which combines the qualitative and holistic approaches found in Christina Quinlan's texts with the quantitative and advanced methods of William Zikmund's. This is a comprehensive and interesting text that is essential reading for any business student taking a research methods module. Each stage of the research process is considered, including ethics and philosophical frameworks.
EASY APPROACH TO WRITE RESEARCH PROPOSAL
(Penerbit UMK) MOHAMMAD ISMAIL 2025-12-17 Preparing good research proposals is one

of the challenging tasks to be undertaken by students at diploma, undergraduate and post graduate level. Obtaining sufficient knowledge is very crucial in order to produce a quality one. This book is based on writers' experiences especially when preparing a PhD thesis. It has been compiled in the general format of research proposals - Chapter 1, Chapter 2 and Chapter 3. Chapter 1 includes the required components covering on how to write problem statements, scope of studies and research interests. Chapter 2 covers the guidelines for writing literature including the overview of past studies, constructing the study model and the hypothesis statement of the study. Chapter 3 focuses on the elements of the methodology such as measurement, sampling, plan of data collection, plan of data analysis, etc. Authentic and practical examples are served in this handy book. Hopefully, it will lead an open door for all students regardless of their level of study.
