As a first-generation Habesha living in a Western country—like in Europe, North America, and others—I can read it to my son, who is second-generation. For those

who can't read Tigrigna, listening repeatedly can truly help them connect with the language and culture." - Habesha father in the US "I started to read [Gaby's] book. It's teaching me a lot about a cultura I'd never known. Gracias!" - Pedro Ramirez-Lopez-Robledo, retired professor of English and Chicano Literature "I love the warmth and realism of each story. I like reading them over and over. The ability to watch the animated version is so much fun!" - Gean Van Horn, marketer and sales pro with 30+ years of experience (and the author's dad) "This is a great story and a great tool! I love the background and the story as told from a child's perspective. The history and cultural insights are fun and helpful. The questions written at the end of each section are helpful prompts to practice speaking in the target language. I would recommend this to anyone hoping to improve their language skills in English or Tigrinya!" - African American doing volunteer work with Habesha communities in Europe "The story is

truly unique, and I appreciate the way it's been told. The narration adds something special. As a father of three, I often find it challenging to find stories we can share with our children to help them develop their listening skills. That's why this one stood out. It offers something meaningful, both in content and in how it engages young minds." - Habesha father in the UK

I highly recommend this book :) Get it get it get it!"- Amazon Customer Review "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review "I LOVED it. TIGRINLISH VOLUME ONE GABY VAN.
HORN 2025

The Consequences of Love Sulaiman S.M.Y. Addonia 2009-08-11 A Romeo and Juliet story set against the strict Muslim laws of Saudi Arabia, Sulaiman Addonia's astonishing debut novel is a sensuous and intensely wrought story of a young immigrant and a girl behind a veil who defy law and risk their lives to be together. Under a relentless summer sun, women dressed like long dark shadows and men decked out in light cotton robes roam the streets of Jeddah. While most of Naser's friends have left town to escape the heat, he must stay behind to work. An African immigrant and outsider, Naser spends

his spare time frequenting a friend's café, writing letters to his mother in Eritrea, and daydreaming about the glamorous girlfriend he hopes to one day have. Naser and his younger brother were sent to Saudi Arabia to avoid the war back home, but though they live with their conservative Muslim uncle they remain under the watchful, wrathful eyes of the religious police, who monitor the community's every action, govern the near indestructible boundaries between men and women—walls in mosques, panels on buses, separate visiting quarters in houses, and, of course, the black veil, or abaya, that adorns the women—and punish any disobedience by public beating or death. But a splash of color arrives in Naser's world when unexpectedly a small piece of paper is dropped at his feet. It is a love note from a girl whose face he has never seen and whose voice he has never heard. To identify her among the sea of veiled women, she instructs him to look for a pair of pink shoes peeking out from under her

draped abaya. Intrigued and encouraged, Naser rebels against Wahhabist Islamic convention and begins a clandestine correspondence with the girl. Yet even as the barriers that divide them begin to crumble under the weight of their passionate prose and devotion, the lovers' illicit affair will face the ultimate and most heartrending test.

The Conscript Gebreyesus Hailu 2012-01-23
Eloquent and thought-provoking, this classic novel by the Eritrean novelist Gebreyesus Hailu, written in Tigrinya in 1927 and published in 1950, is one of the earliest novels written in an African language and will have a major impact on the reception and critical appraisal of African literature. The Conscript depicts, with irony and controlled anger, the staggering experiences of the Eritrean ascari, soldiers conscripted to fight in Libya by the Italian colonial army against the nationalist Libyan forces fighting for their freedom from Italy's colonial rule. Anticipating midcentury thinkers Frantz Fanon and Aimé

Césaire, Hailu paints a devastating portrait of Italian colonialism. Some of the most poignant passages of the novel include the awakening of the novel's hero, Tuquabo, to his ironic predicament of being both under colonial rule and the instrument of suppressing the colonized Libyans. The novel's remarkable descriptions of the battlefield awe the reader with mesmerizing images, both disturbing and tender, of the Libyan landscape—with its vast desert sands, oases, horsemen, foot soldiers, and the brutalities of war—uncannily recalled in the satellite images that were brought to the homes of millions of viewers around the globe in 2011, during the country's uprising against its former leader, Colonel Gaddafi.
