[The British Library General Catalogue of Printed Books to 1975](#) British Library 1979

[From God To Us Revised and Expanded](#) Norman L Geisler 2012-08-10 Where did the Bible come from? How do we know the right books are in the Bible? Does the Bible contain errors? What are the oldest copies we have of the Bible? How do we know that the Bible hasn't been changed over the years? Why are there so many translations of the Bible, and which one should I use? These are just some of the important questions about the Bible that are discussed in this book. Understanding basic facts about the origin of the Bible is essential for every Christian, but it can also be confusing and difficult. Here, two well-known scholars, authors of a more technical book, *A General Introduction to the Bible*, explain simply and clearly these basic facts. Inspiration, the biblical canon, major manuscripts, textual criticism, early translations, and modern versions are some of the major topics discussed. Careful explanations of important points are given throughout, as the entire field of biblical introduction is covered. Completely updated and revised edition of the 1974 work (more than 78,000 copies sold). Helpful charts have been added, along with an index of subjects, persons, and Scripture. This book is ideally suited for Bible students, pastors, and professors. While writing for readers without previous training, the authors do not gloss over difficult and complex issues when they arise. The nature of inspiration, the extent of the canon, and the usefulness of modern versions are all clearly discussed. The authors write: "The chain of communication from God to us is strong. It has several solid links: inspiration, collection, transmission, and translations. The strength of these links provide the contemporary Christian with the moral certitude that the Spirit-inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God."

**The End** Ken Hathcoat 2015-03-22 People are fascinated with Revelation and end times. Unfortunately, Revelation studies and Bible prophecy books still remain a puzzle for many Christians. Most end time books are either unnecessarily confusing or overly simplistic in their conclusions. *The End* is a study of Revelation that presents a clear, concise, and thorough biblical analysis of the major end time events without simplistic explanations or wordy, seminarian language. *The End* is more than a commentary on Revelation and end time prophecies. It offers fresh insights and applications on these subjects for your daily life.

**The Grace That Makes Us Holy** Gloria

Copeland 2001-03 Nationally known author and speaker, Gloria Copeland, teaches that if we want to be holy, we must be willing to disconnect from the world and its ways, and connect to God. Through her gentle but powerful messages that so many have come to love and trust, Gloria guides the reader in a study in the grace of God that brings about holiness in our lives. Readers will build their faith by delving into this book.

**The Truth About The TRUTH** Tommy Beeker 2018-07-19 Have you like millions of Christians around the world believed that any Bible version is the pure, inerrant, and perfect Word of God? As Christians, we all hold to the fact that God's Word, the Holy Bible, is the final authority of

what we believe and practice as Christians. However, if you discovered that the Bible you are reading and believe to be God's Holy Word has complete verses missing, and that it removes the blood atonement of Jesus, questions His deity, deletes the Trinity, and then adds and subtracts words that completely changes the meaning, would it upset you to discover that you had been deceived and lied to? The Truth About The TRUTH is a must read for all Christians. This book will challenge you in many ways and yet provide solid evidence that there has indeed been a huge ongoing deception concerning the modern bible versions. Here are a couple questions to ponder: Does your "easier-to-read modern bible" contain only the truth, or has it been corrupted with verses missing and words added and deleted, which change the meaning of God's Word? Are you willing to apply 2 Timothy 2:15 to find out? Challenge yourself and "Study to show thyself approved unto God, a workman that needeth not to be ashamed rightly dividing the word of truth."

**Much More and Better** Doug Schauer  
2018-05-29 Much More and Better is a book based on the finished work of Christ as described in the book of Hebrews. Hebrews gives us one of the best descriptions of the much more and better that we have through the new covenant ratified in the blood of Jesus Christ. This book will exalt Christ with the preeminence that he is more than worthy of, for everything lost in the fall through Adam has been restored through the perfect sacrifice of Jesus Christ. My prayer for you as you read this book is that you will get a magnified picture of Jesus Christ and the awesome glorious new covenant that He paid for with His own blood. As you read, it will be obvious to you that the book of Hebrews is definitely a Holy Spirit-inspired book. Read and enjoy!
