Fundamentals of Organizational Behaviour, Fifth Canadian Edition, Nancy Langton 2013-02-28 OB is for Everyone
Langton/Robbins/Judge, Fundamentals of Organizational Behaviour, 5ce is the most student-engaging book in the market. It makes Organizational Behaviour relevant to students, no matter what their background or work

experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text. Note: MyManagementLab is not included with the purchase of this product.

Organisational Behaviour Stephen P. Robbins 2009 This book is the first Southern African edition of Stephen P. Robbins's Organizational Behaviour, the best-selling organisational behaviour textbook worldwide.

Organizational Behavior Stephen A Robbins 2010-01-14

Organizational Behaviour eBook PDF Timothy Judge 2017-01-16 This second European edition of this classic textbook brings the exceptional introduction to organizational

behaviour written by the masters of the subject, and adapts it to meet the needs of students studying in Europe today. Fully updated and revised, this adaptation continues the tradition of making current, relevant research come alive for students, while maintaining its hallmark features – clear writing style, cutting-edge content and compelling pedagogy. This new edition offers real-life examples drawn from a global range of organizations including Google, Cadbury, Apple, Capital One, Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. Key features include: ‘Myth or science?’ boxes, which provide repeated evidence that common sense can often lead us astray in the attempt to understand human behaviour, and that behavioural research offers a means for testing the validity of common-sense notions. ‘OB in the news’ which prepares students to recognise and evaluate OB issues which often appear in the news when presented

with them in newspapers, magazines, TV, etc. ‘Face the facts’: these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee engagement, and the popularity of working in teams. “As a whole, the content of the book is strong, and is well-structured with a European focus.” Mohammad Lafiti, Uppsala University, Sweden

Essentials Of Organizational Behavior, 9th Ed. Stephen P. Robbins 2005

Essentials of Organizational Behaviour, Global Edition Stephen P. Robbins 2017-07-13 For courses in organisational behaviour. A streamlined presentation of key organisational behavior concepts Essentials of Organizational Behavior teaches students how to communicate and interact within organisations, through real-world scenarios. The text offers comprehensive coverage of key organisational behavior (OB) concepts, making each lesson engaging and easy

to absorb. Students can use the book's concepts to apply what they've learned to their own education, future career plans, and other organisational endeavours. Currently used at more than 500 colleges and universities worldwide, Essentials of Organizational Behavior serves as a popular resource so students can learn and understand the most important concepts in OB. With updated research and the integration of contemporary global issues, the 14th Edition focuses on the most relevant OB concepts that resonate with students.
