The Witches' Almanac 2022-2023 Standard Edition Issue 41 Andrew Theitic 2021-08-23 The Witches' Almanac is a sophisticated publication appealing to general readers as well as hardcore Wiccans. Founded in 1971 by Elizabeth Pepper, the art director of Gourmet magazine for many years, The Witches' Almanac is a witty, literate, and sophisticated publication that appeals to all those devoted to the Craft. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture; but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the Old Farmers' Almanac, it includes information related to the annual moon calendar (weather forecasts and horoscopes), as well as legends, rituals, herbal secrets, mystic incantations, interviews, and

many a curious tale of good and evil. Although it is an annual publication, much of the content is both current and timeless--not specific to the date range of each issue. The theme of Issue 41 (Spring 2022-Spring 2023) is The Moon: Transforming the Inner Spirit. Also included are articles on geomancy, the lunar nodes, charms of the Welsh March, the Messenger of the Gods, the Orisha Sango, and much more.

The members of the movement are simultaneously growing, unifying, and maintaining its characteristic diversity of traditions, identities, and rituals. The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions, praxis, theologies, and communities. As Contemporary Paganism continues to grow and mature, new angles of inquiry about it have emerged and are explored in this collection. This examination and study of contemporary Paganism contributes new ways to observe and examine other religions, where innovations, paradoxes, and inconsistencies can be more accurately documented and explained.
