1995-12-10 Graduate students depend on this series and ask for it by name. Why? For over 30

years, it's been the only one-stop source that supplies all of their information needs. The new

editions of this six-volume set contain the most comprehensive information available on more

than 1,500 colleges offering over 31,000

master's, doctoral, and professional-degree

programs in more than 350 disciplines. New for

1997 -- Non-degree-granting research centers, institutes, and training programs that are part of

a graduate degree program. Five discipline-specific volumes detail entrance and program

requirements, deadlines, costs, contacts, and special options, such as distance learning, for

each program, if available. Each Guide features "The Graduate Adviser", which discusses

entrance exams, financial aid, accreditation, and more. Interest in these fields has never been

higher! And this is the source to the 3,400

programs currently available -- from

bioengineering and computer science to construction management.
