2025-04-27 With the increase in mental illness and psychological issues across the globe, this book was written to educate and inform you about some of the factors contributing to increased mental illness. Often we don't consider how our emotions contribute to mental illness and emotional difficulties. Hence, this book is dedicated to exploring how GUILT & SHAME contribute to mental illness and emotional difficulties. Within this book you will also learn about the different Attachment Styles, ACEs & Trauma, together with the Compass of Shame and how these impact your Mental Health and Emotional Well-being. "A compassionate and informative self help guide that aids understanding of our vulnerabilities, alongside clear, accessible practical skills to help recognise and manage the

impact of trauma." -Eugenie Douglas. "This book is an essential and impactful piece of work that deeply explores the cycles of shame and guilt. Eunice, a talented and knowledgeable clinician, masterfully integrates these complex topics in a way that is both accessible and well-balanced. The insights presented not only encourage self-reflection but also offer practical applications that can be seamlessly incorporated into clinical practice. As a clinical psychologist, I highly recommend this book to anyone in the field looking to enhance their understanding and implement these concepts into their own work." - Dr Lovedeep Rai  
*The Four Reasons Why We Live* Saneliso Ncube-Muringani  
2022-12-16 The Four Reasons Why We Live is a short summary about the author's journey to discovering the purpose of life, happiness, and

success strategies after she faced life challenges. God revealed and interpreted a Bible-based structure to her that she begins to follow daily to change her life. *Pot Liquor* Millicent Thompson 1998 How do you gain wisdom? In what ways can life teach you the lessons you must learn? Wisdom does not come with age, but with experience--especially when those experiences draw us closer to God. *Pot Liquor* is a 'look back' at the richness of the experiences of others. Handed-down stories are wonderful resources for learning because you can benefit from the life lessons without experiencing the pain they caused. Only after you put some distance of time between an experience and the pain that resulted can you learn God's purpose for it. You can learn more about life over a 'bowl of collard greens and some good conversation' than you can learn on a therapist's couch. This book is a literary feast that Dr. Thompson passes on to you. *Pot Liquor* is a full course spiritual meal that is guaranteed to feed your soul and keep you coming back for more of the lessons in the

**Inspirational Leadership Quotes** GIFFORD. THOMAS 2025-03-16 What do you feel when you read a quote? Have you ever noticed how a thought-provoking quote can really make you pause and reflect? I fell in love with quotes during a difficult time in my life, and I can honestly say that they brought me comfort when I needed it most. It felt like fate when I came across an

encouraging quote from Les Brown: "No matter how hard it is or how hard it gets, I'm going to make it." Those words resonated with me deeply, reminding me that hope can still shine through adversity. Another powerful quote from Dr. Myles Munroe really struck a chord: "The greatest tragedy in life is not death; it's life without a purpose." These insights sparked something special within me, guiding me toward a path of finding solace in inspirational quotes about leadership and life. These inspirational leadership quotes and insights serve as lifelines, offering the encouragement needed to pause, reflect, and regain a balanced perspective. By engaging with these powerful messages, leaders can reconnect with their inner strength and resilience, equipping themselves to confront the barriers in their path. This re-engagement not only creates a renewed sense of focus but also nurtures a commitment to both personal growth and professional development.

**More Precious Than Gold**

Nanci J. Gravill 2022-02-04

Have you ever thought that perhaps God wants to do a greater work in your heart

instead of just fixing your problems? Or have you ever wanted to know God in a more meaningful way? Well, you can find both the wisdom and truth that you seek in my new book, *More Precious Than Gold*. Filled with thirty unique essays and devotions, my inspiration to write this book came from hearing a doctor talk about how much our culture has changed and the impact it's had on all of us. So tucked into the back of the book you'll find some great exercises just before the Spiritual Connections section. They'll help keep you from the snares of our culture and guide you to the green pastures of peace and tranquility that you need. You'll also enjoy messages that offer a fresh perspective so you can live life with more passion including: *Happy Habits, An Anchor of Hope, Choose to Forgive, A New Mental Toughness, Wholeness Healing, Take a Drink of Great Happiness, Unspeakable Joy, Find the Gift, New Beginnings, The Green Bean Club*, and more.
