English Watercolors Graham Reynolds

1998-04-21 English artists have made a unique contribution to the art of watercolor painting. In no other Western country has this very attractive medium been used so consistently, or for works of such stature, as in England between 1750 and the present day. In this general survey of the whole period, Graham Reynolds, formerly Keeper of Paintings and of Prints and Drawings at the Victoria & Albert Museum, discusses the paintings of over 100 artists including the well-known watercolorists such as Cozens, Girtin, Cotman and De Wint, as well as artists who are equally known for their work in other media - Gainsborough, Turner, Constable, Sargent, Henry Moore. The 140 illustrations, 64 in color, show the work of these and lesser-known artists and reveal the versatility of this medium, so the reader will be introduced to its use for illustrative caricature and portraiture as well as to the finest examples of traditional landscape watercolors.

Ready to Paint in 30 Minutes: Animals in

Watercolour Matthew Palmer 2021

Loose and Lively Animals in Watercolour, Inks & Mixed Media Jo Allsopp 2023-12-14 Animals are a perennial favourite amongst artists, but many struggle with capturing their form and character in a way that reflects the true spirit of the animal. In this bright, breezy and accessible book, Jo Allsopp's genuine passion for wildlife is clear. That love is reflected in her art, and her loose, lively and dynamic style is one that many wish to emulate. Including a broad range of animals from around the world - everything from red squirrels to peacocks, lions and housecats - this book will inspire and instruct beginner artists, appeal to animal-loving hobby artists, and provide new ideas for more advanced artists who wish to loosen up their style and take a more experimental approach to their watercolour painting. It includes: A section exploring inspiration and motivation Short practical exercises to help you loosen up and try things out A close look at Jo's way of painting,

which demystifies the process and includes drawing techniques 3 pure watercolour projects and 9 incorporating mixed media Fully illustrated projects that are explained step-by-step, showing you how to personalise your pictures. Jo's technique is very wet into wet, with lots of blooms, vivid colours, and striking contrasts and texture achieved by the addition of wax resist, salt, spatter and scratching out. Jo uses an exciting range of art media and techniques in her work. The main medium is watercolour, but to this she adds ink, water-soluble and permanent pens; bleach; isopropyl alcohol; bronzing powders; metallic leaf and acrylic inks. All are explored and explained to show the effects that can be achieved and when and how to use them.
