Jallianwala Bagh Rakhshanda Jalil 2019-04-01 Jallianwala Bagh massacre, the butchering of unarmed innocents, is a historic event that haunts the human mind even after the lapse of a century. 1650 rounds fired in a matter of ten minutes, the blocking of exits, preventing help reaching the injured are all acts of unmitigated bestiality. Through a selection of prose and poetry - The direct outcome of this horrific event and an introduction that traces the history of events leading to the massacre - Rakhshanda Jalil, a literary historian and translator from Urdu and Hindi, attempts to open a window into the world of possibilities that literature offers to reflect, interpret and analyse events of momentous historical import. The selection offers ways of 'seeing' history, of exploring how an incident that stirred the conscience of millions, one that had far-reaching implications for the National freedom struggle and British rule, found its way through pen and Paper to reach the nooks and crannies of popular imagination filtered through the mind of the creative writer. The stalwarts and acknowledged doyens of Indian literature featured in this volume include Saadat Hasan Manto, Mulk Raj Anand, Krishna Chander, Abdullah Hussein, Bhisham Sahni, Ghulam Abbas, subadhra Kumari Chauhan, Sarojini Naidu, sohan Singh Misha, Muhammad Iqbal, Josh malihabadi, Nanak Singh, to name a few. A collection that can pave the way for further research.

Nanak Singh's Saintly Sinner Nānaka Siṅgha 2003

White Blood Nanak Singh 2024-05-21 A lyrical, luminous offering from the pioneer of Punjabi novel writing and Sahitya Akademi-awardee Nanak Singh When a ticket officer apprehends a ticketless traveller at the Amritsar Railway Station, he is shocked to discover that the penniless young man in tattered clothes is none other than the widely acclaimed writer Gupteshwar. But even more disconcerting than the state of the author is the story of his new novel, one that lays bare the moral rot besieging twentieth-century Punjab. As the author reads

from his unfinished manuscript, it becomes clear that the tale of the two women he is weaving is far from fictional. With its nested narratives, rich prose and fascinating depiction of quotidian life, Nanak Singh's pivotal novel paints an unsparing portrait of a society infected with corruption, casteism and appalling inequality, where those who position themselves as guardians of morality are the ones most willing to abuse their power.
