Summary of Nancy Wake's White Mouse Everest Media, 2022-04-23T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was born in 1912 in Wellington, New Zealand. My family settled in Sydney, Australia, when I was about two years old. In 1932, I sailed to America and Europe. I found New York to be an exciting city, and I loved working and living in Paris. #2 I learned to shop in the little markets around Paris. I learned to appreciate my food and wine, and I learned to cook. I was able to make a living writing articles and doing interviews, and selling them to press agencies. #3 I had always believed in freedom of religion and worship, so I was horrified to witness so many examples of the outcome of Hitler's policies. I had never been interested in politics, but after visiting Vienna and Berlin, I became interested in the Nazis. #4 I was going to Marseille in October 1934 to write an article on the visit there of King Alexander of Yugoslavia. As the Paris Express pulled into Cannes, I saw the most extraordinarily beautiful young woman standing on the platform with an older man. I was intrigued, but soon forgot them.

The White Mouse Russell Braddon 1957 THE TRUE STORY OF NANCY WAKE-THE HEROIC GIRL WHO LED A MAQUIS BAND AGAINST THE GERMAN IN FRANCE.

Women Warriors of WWII DONNA. PEDACE 2025-11-28 Nancy Wake - The White Mouse shares the remarkable life of Nancy Wake, a fearless woman who embraced life's challenges with gusto. She is best known for her courageous service with the British Special Operations Executive (SOE) during World War II. After several years working as a civilian courier between British military officers and the French Resistance, she returned to France - this time parachuting behind German lines - to gather intelligence on enemy movements and create as much disruption for the German army as possible. Although the British government classified the wartime records of Nancy and the other women who served in the SOE for some thirty years, Nancy famously declared, "If the records of the men can be released, then so can mine." In time, she became one of the most celebrated SOE agents and remained a compelling public figure throughout her long and extraordinary life. Donna Pedace is the Executive Director Emeritus of both the Eugene O'Neill Theater and Museum in Waterford, Connecticut, and the Spanish Colonial Arts Society and Museum in Santa Fe, New Mexico. She has written and published several acclaimed, award-winning books, including *The Traditional Spanish Market of Santa Fe: History and Artists*, *Scandalous Women of the Old West: Women Who Dared to Be Different*, and *Women Warriors: The Hidden Spies of WWII*. Through her writing, Pedace brings to life the untold stories of remarkable women who shaped history with courage and conviction.

The White Mouse Jack B. Duarte 2014-02 The White Mouse is historical fiction and based on the real life exploits of Australian Nancy Wake during World War II. Wake was responsible for setting up a successful escape network around Marseille, France at the beginning of the war. She fled France and began working for Great Britain's Special Operations Executive during the invasion of Normandy. Wake succeeded in making the Auvergne Maquis a remarkable fighting force and did great harm to German Wehrmacht forces attempting to aid their coastal defences. For her remarkable efforts, Wake became the most decorated female officer in the British military during the war. She died in London in 2011 at the age of 98.

The Women Who Lived for Danger Marcus Binney 2004-10-05 "They flirted with men, and with death." In *The Women Who Lived for Danger*, acclaimed historian Marcus Binney recounts the story of ten remarkable women -- some famous, some virtually unknown -- recruited to work behind enemy lines as secret agents during WWII. Part of Winston Churchill's Special Operations Executive, formed in 1940 to "set Europe ablaze," the women of the SOE were trained to handle guns and explosives, work undercover, endure interrogation by the Gestapo, and use complex codes. Once in enemy territory, theirs was the most dangerous war of all, leading an apparently normal civilian life but in constant danger of arrest and execution. Passing themselves off as country wenches by afternoon and chic Parisiennes by night, these women put service to Britain and the Allied forces above all concerns for personal safety -- they organized dropping grounds for arms and explosives destined for the Resistance, helped operate escape lines for airmen who had been shot down over Europe, and provided Allied Command with vital intelligence. The exploits of those chronicled in *The Women Who Lived for Danger* form a new chapter of heroism in the history of warfare matched only by their legacy of daring, determination, resourcefulness, and ability to stay cool in the face of extreme danger.
