Developing Professional iPhone Photography

Rafiq Elmansy 2017-12-20 Leverage the photo taking power of your iPhone with desktop and iOS apps to capture, retouch, manipulate,

organize, and sell your photography. This book shows you how to edit photos using Adobe mobile apps and other apps, integrate Adobe mobile apps with desktop applications, such as Adobe Photoshop and Lightroom, and finally sell those photos online. *Developing Professional iPhone Photography* provides a practical guide to creating a professional photography portfolio with your iPhone and features iPhoneography examples from professional photographers to showcase what can be done. You can then share your workflow with your desktop programs, such as Adobe Photoshop Mix, Photoshop Fix, and Lightroom apps iPhone camera and photography capabilities have dramatically improved to a professional level and mobile and desktop software have come right along with them. Now it's not only possible to take worthwhile photos

on your phone but also to edit and develop them to a professional level. What You'll Learn Use Adobe Mobile and Apple apps for retouching and photo manipulation Transform your iPhone into a piece of your professional workflow Market and sell photos directly from your iPhone Who This Book Is For Photographers and other iPhone owners who want to make the most of the editing and capturing the power of their iOS devices
