The Future of Men Jack Myers 2016-03-01 "Once again, Jack Myers has his fingers on the pulse of the very latest. Myers has clearly done his homework, and the result is this superb book." —Ken Burns, documentary filmmaker of *The Roosevelts* and *The Civil War* After being told all their lives to "be a man" and "man up," men are now rejecting the macho stereotype and instead developing empathy, getting in touch with their emotions, and becoming more sensitive in their relationships. Women are gaining ground in business, culture, education, relationships, and politics as traditional male and female roles disappear. *The Future of Men: Masculinity in the Twenty-First Century* prepares men and women for this shift in gender

norms. As the definition of a "real man" evolves, understanding the future of men in business, politics, sports, education, relationships, and parenting will be essential for men to maintain psychological well-being, strengthen their self-esteem and sexual self-confidence, and rewire their emotional lives. *The Future of Men* provides tools to help men, and especially younger men, recognize and embrace new behaviors that are required for health and happiness at work, at home, and in their relationships.

Love Rules Joanna Coles 2019-04-09 "For those looking for a smart, no-bullshit, effective guide to finding love, look no further."—Esther Perel, author of *Mating in Captivity* "While I'm not sure what Carrie Bradshaw would have made of today's new world of dating, I do know this: armed with *Love Rules*, she would have figured it all out in one season."—Sarah Jessica Parker
SHERYL SANDBERG EMPOWERED WOMEN TO LEAN IN ARIANNA HUFFINGTON ENCOURAGED THEM TO THRIVE NOW, JOANNA COLES GUIDES THEM ON THEIR MOST IMPORTANT JOURNEY: FINDING LOVE Just as there is junk food, there is junk love. And like junk food, junk love is fast, convenient, attractively packaged, widely available, superficially tasty—and leaves you hungering for more. And both junk food and junk love require enormous amounts of willpower to resist. Social media and online dating sites have become the supermarkets of our relationship lives. You have to wade through rows of cupcakes and potato chips to find the produce aisle, where those relationships grounded in intimacy and trust live—the ones worth your investment. A diet book for romantic relationships, *Love Rules* first

asks women to re-assess the way they think about their relationships, and then helps them use that newfound awareness to navigate their love lives more successfully in this very modern, fast-paced—and often lonely—digital age. In these pages leading media exec and former Editor in Chief of Cosmopolitan and Marie Claire Joanna Coles provides a series of simple guidelines for finding worthwhile love: fifteen rules—love "hacks." She also explains how to use dating apps effectively to expand real world connections and how to avoid DADD—dating attention—deficit disorder, where the tantalizing promise of someone better appears to be only the next swipe away. Love Rules will enable you to identify what you want in a relationship, when you should pursue it, and how to find it.

Kate Corbin, Law of Attraction Life Coach, CA REVIEW: Nanette Geiger does not just talk the talk; she walks the walk. I m no stranger to Law of Attraction or Abraham-Hicks, but it is rare to meet someone with such a precise working knowledge of the principle like attracts like, and Nanette Geiger is that someone. What a wonderful gift to read a book that applies this principle solely to the art of creating and attracting our intended life partners! From page one, Geiger has assured her readers that we have been divinely guided to this book, and we feel as if she is speaking directly to us. And she is in a voice that is straightforward, smart, and energized. Moreover, Geiger shares her human vulnerability and mistakes with her readers, assuring us that we all struggle at times. I take comfort in knowing that she s been in my shoes, and that she's rooting for me. Reading this book is like receiving a one-on-one coaching session with Geiger whenever you want it. And you not only get a wise coach, but also an honest friend The book is well-written and organized, supported by referenced material, inspirational and true stories (hers and others), a bit of sass and humor, and helpful analogies, metaphors, and examples. Even the cover serves as an invitation to relax, have fun, and create the relationships of our dreams. I am certain that the universe guided me to this book in response to my intention to create and attract the relationship of my dreams, and that it is manifesting as I type these words. If you are open and receptive, you too will feel the instant shift. And before you know it, you'll be

exchanging wedding vows. Elisa Lorello, Author and Writing Professor

Make Him Fall for You Rori Raye 2010-08 Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from

www.HaveTheRelationshipYouWant.com (if not - go get them now...) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you... Love, Rori

The Working Mom Happiness Method Katy Blommer 2026-04-21 It's time to go from feeling overwhelmed and exhausted every day to living your best life. Katy Blommer's The Working Mom Happiness Method: Your Guide to Creating

Balance, Maintaining Healthy Habits, and Thriving in Your Career confronts head-on the fact that women from a young age are taught to put others first—and that their value is in looking attractive and serving others. On the other hand, men historically practice self-care without needing to call it that: They simply feel they have the right to take care of their own needs. This powerful, honest, and humorous book offers insightful social and psychological analysis along with practical tools to help working mothers reject the paradigm of self-sacrifice as self-worth. Katy speaks to her readers as a well-informed expert and a trusted friend. Katy shares her Best Life Master Plan, which will radically transform readers' relationships with themselves while offering lessons like the following: • Your value and worth have nothing to do with how you look or what you do for everyone in your life. • You must start to put yourself first in every area of your life, and this choice will revolutionize your relationships with others. • The more you value yourself, the more confident you will become, and the further you will progress in your career. Above all, Katy teaches that all readers are worthy, not because of what they do but simply because they exist. We often forget that we all have innate value. In *The Working Mom Happiness Method*, Katy Blommer shows us it's time to remember.
