**Gran Diccionario Oxford** Beatriz Galimberti Jarman 2003 The Oxford Spanish Dictionary comes with the ultimate pronunciation guide: a FREE, state-of-the-art CD-ROM (UK and Europe only) that enables you to type in a word or phrase, or paste in text from the web, and hear it spoken back to you in perfect Spanish. Now in colour, with an ultra-clear layout for maximum accessibility, this major new edition provides the richest coverage of Spanish from around the world, covering over 300,000 words and phrases, and more than 500,000 translations. Oxford's expert teams of lexicographers have used the latest technology to search millions of words of web-based text and identify all the most recent additions to both Spanish and English. Over 20,000 new entries have been added to the dictionary from all aspects of life today - business, IT, science, the media, the environment, the internet, and social life. Hundreds of special entries now give information on life and culture in the Spanish-speaking world, and in-text notes give extra help with grammar and usage. The dictionary also includes an extended guide to effective communication, including a wealth of example letters, offering help with a wide range of topics, from writing a job application or a CV to booking a hotel room. With a new, easy-access colour design to make consultation even quicker, this is the most complete and up-to-date reference tool for anyone studying Spanish in senior school or at university, or for translators and other language professionals.
