The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence. You describe people as practical when they make sensible decisions and deal effectively with problems. Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. Practical refers to something that is focused on actual use or practice, rather than being abstract or theoretical. It involves or is concerned with actual application, use, or action. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. • Babysitting coupons are a practical gift any parent will love. • He's really smart and really practical - he can fix anything. • Religion, combined with practical help, can be a powerful force in stabilizing a ...
