Hiidhaa Seexaa II Ibsaa Guutama This was first published in English as "Prison of Conscience". It is now presented in Afaan Oromo with some addition and expansion. For the Oromo nation the more than a hundred years of Amaaraa Ethiopian occupation had been a hell. Killings, tortures and disappearances were common place. Their land was grabbed, their culture erased, their language suppressed, they were turned to serfs and their identity was denied, their freedom deprived. Relentless struggle was waged to reverse the situation and much had been achieved towards it. This book is about experience of a prisoner who went under the most inhuman treatment in torture rooms and isolated from the world for about ten years. And also, about empire Ethiopia that knows no human rights and even human conscience was kept under suppression. All about the empire

and Darg prison are contained in two volumes of this book in brief. The said prisoner had a chance to revisit Maa'ikalaawii under EPRDF government that replaced the Darg. List of prisoners of the previous detention is also given as appendix. Read it and there are more to discover. Seenaa qabsoo Oromoo walloo fi Oromoota kaaba Itoophiyaa Fee'izaa Ahimeed Umar 2013
The In-between Seenaa Godana-Dulla Jimjimo 2014 The In Between is a story that transcends cultures, borders, nationality, religion and an identities for which one see's themselves rather than the one imposed on them. More importantly it is about African Women who wonder where they fit between conservative African values with double standards for boys and girls and/or fantasy land with feminist ideology and the American democracy. The author uses Winnie Mandela, who gave so much to her people, for the pursuit of justice but seems to end up in a different place than her counterpart, male. It is also about immigrants who are born in one place but raised in a different place with new sets of culture, language and values. Also, while the majority of the book focuses on diverse issues, as stated above I must say this, "I have a soft spot for the forgotten women of Africa, the Oromo women, who often face double bigotry, for being Oromo and for being women". Overall, the book is about the Oromo people and their pursuit for dignity, being and becoming Oromo in the Diaspora, the failure of OLF, bureaucratic Oromo Community Associations and the quest to know where one belongs.

Ilaalcha Oromoo 2012 On the history, culture and administration of the Oromo people of Ethiopia.
