Apr 30, 2026 · William Raveis launches Raveis365+ with Cloze AI, adding relationship intelligence and workflow automation for more than 4,500 agents. A cloze test (also cloze deletion test or occlusion test) is an exercise, test, or assessment in which a portion of text is masked and the participant is asked to fill in the masked portion of text. In language teaching, a cloze test is a test in which words are removed from a text and replaced with spaces. The learner has to fill each space with a suitable word. A cloze is a practice exercise where learners have to replace words missing from a text. These are removed at regular intervals, for example every five words. This contrasts with a gap-fill exercise, ... Specify which users are required to pay for their own Cloze subscription and which the team pays for. Create and use up to 100 custom segments, 250 custom fields, and 2500 custom templates across ... The meaning of CLOZE is of, relating to, or being a test of reading comprehension that involves having the person being tested supply words which have been systematically deleted from a text. Cloze is just synching your calls and texts, and logging all of that activity for you. There's no need to remember that you haven't talked to this person for a while—it just tells you to keep in touch and then ...
