Brun Campbell Larry Karp 2016-04-11 At fifteen, Sanford Brunson Campbell (1884-1952) became enchanted with the new sounds of ragtime and ran away from his rural Kansas home, hopping a train to Sedalia, Missouri, determined to take piano lessons from a black musician he had never met. Scott Joplin nicknamed his white protege "The Ragtime Kid." A composer and entertainer at the dawn of the ragtime era, "Brun" was a prime mover in the ragtime revival of the 1940s and helped establish Joplin's prominence as one of America's most innovative composers. Campbell's own legacy was tarnished by his inability to tell a straight story and he was often dismissed as a liar and a

clown. Based on his memoirs, musical compositions and correspondence with music industry notables, this first comprehensive biography of Campbell reveals an engaging storyteller and a devotee wholly dedicated to a musical genre that had been largely forgotten. His firsthand account of life as an itinerant pianist in the Midwest provides a unique picture of life a century ago.

The Barbra Streisand Companion Linda Pohly 2000-02-28 Barbra Streisand has enjoyed worldwide artistic success for more than three decades, and her recordings are a consistent and integral part of her multifaceted professional life. This volume explores the musical life and style of Barbra Streisand and places her in the context of American popular music of the second half of the 20th century. The author also stresses other aspects of her career as they relate to her recordings. Chapters proceed chronologically and trace Streisand's evolving musical career and her successes. Analytical sections focus on musical elements such as instrumentation and orchestration, melody, harmony, rhythm and tone, dynamics, and form as they examine in detail Streisand's recordings and songs.
