

Professional Baking Sixth Edition Wayne Gisslen

Professional Baking Wayne Gisslen 2016-09-13 Gisslen's Professional Baking 7th Edition Binder Ready Version continues to educate hundreds of thousands of students with clear, detailed instructions in the theory and techniques necessary to meet the demands of the professional kitchen. The title continues to comprehensively cover baking basics while also offering enhanced coverage of higher-level techniques such as pastry, chocolate, and sugar work. Balancing theory and practice, Professional Baking provides both the understanding and performance abilities needed to progress and develop in a successful baking career. Also included with Professional Baking are six glossy method cards that provide step-by-step photos and instructions on mixing and pie methods and pastry basics. This text is an unbound, binder-ready version.

The Art of Cooking Peter C. Brenner 2024-01-04 "Ever since I was a toddler and learned how to crawl, I would enter the kitchen.... I would pull open drawers and search through the cabinets." - Peter C. Brenner. Not everyone finds their passion early in life. But as a child, Peter loved exploring new things, and one day he found his mother cooking a delicious meal in the kitchen. That's when he decided to become a world class Chef. So, what is it like to be a Chef at a star-rated hotel? Certainly nothing less than a messy adventure! MESSY for real. As you read through the book, you will find Peter's dramatic life taking various turns as he tries to steer clear of turbulent times. However, life as a Chef is never easy and he is not able to set his feet on the ground for a long time. Once he does, life challenges him to let go of the comfort and instead pursue his lifelong idea of opening his own restaurant. That's some risky business! Will he be able to do it? Read through the pages as you find Peter breezing through his life as a successful chef and introducing some recipes that hardly anyone in America has ever heard of.
