Skiena is the author of several popular books in the fields of algorithms, programming, and data science. The Algorithm Design Manual is widely used as an undergraduate text in algorithms and within the tech industry for job interview preparation. Steven Sol Skiena (born January 30, 1961) is a computer scientist and distinguished teaching professor of computer science at Stony Brook University. [1] He is also director of AI Institute at Stony Brook. Steven Skiena is Distinguished Teaching Professor of Computer Science and Director of the Institute for AI-Driven Discovery and Innovation at Stony Brook University. My channel holds video lectures of the classes I've taught in the past For more information about me, please visit <http://www.cs.stonybrook.edu/~skiena/You c...> "My absolute favorite for this kind of interview preparation is Steven Skiena's The Algorithm Design Manual. More than any other book it helped me understand just how astonishingly commonplace ... graph problems are -- they should be part of every working programmer's toolkit.
