Embrace the Case Interview Brad Schiller

2014-01-13 Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the behavioral part of the interview covers your personal experiences and is often

just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to any case with deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve. For more information, please visit embracethecaseinterview.com. Enjoy the book and best of luck in your upcoming interviews!

Vault Case Interview Practice Guide 2002

Case Interview Guide Gerald Diblasi

2021-03-05 If you're interested in consulting, you've almost certainly heard of a case interview -a job interview in which you are presented with, and asked to solve specific business challenges. But increasingly, case interviews aren't just for consultants. Professionals in finance or business operations, as well as those seeking high-level positions within an organization, may very well encounter these challenging interviews as well. This book will help you: Write the perfect consulting resume and cover letter that gets multiple interview invitations from top consultancies Learn the 7 different parts of a case interview and exactly what you need to do in each step Master maths tips and tricks to solve market sizing and other case interview questions quickly and accurately Discover the most commonly used frameworks in consulting and how you can use them for inspiration,

without over-relying on them Practice with 5 full-length sample cases that are based on McKinsey, BCG, and Bain case interviews Prepare answers to behavioral interview questions, like Why consulting?, Why McKinsey?, or Tell me about a time you led a team.

Women and Agriculture - A case study of a rural village in Mozambique Martin Schwartz

2007-04-02 Bachelor Thesis from the year 2006 in the subject African Studies - Culture and Applied Geography, grade: 1,0, Mälardalen University (School of Business), language: English, abstract: This bachelor thesis is based on a field study performed in the rural village Maciene in Mozambique. The village is situated in the Gaza province, in the southern part of the country. Most of the people in the village are peasant farmers, but they also live from cattle breeding and small-scale fishing. The village is situated in the Lebombo diocese within the Anglican Church. The Swedish church diocese in Västerås and the Swedish Mission Council are

since many years supporting a development project in the village that is called The Maciene Vision. Since 2002 has Mälardalen University been part of the project, and students at the programme Economy for sustainable development and the Public health programme have been given the opportunity to perform field studies in Maciene.
