Dutch Decorated Bookbinding in the Eighteenth Century Jan Storm van Leeuwen 2006

**Catalogue of the Pepys Library at Magdalene College, Cambridge III** Eric Chamberlain 1993-11 This volume consists primarily of a descriptive catalogue of the three albums which Pepys entitled *My Collection of Heads in Taille-Douce & Drawings...* (2978-2980), put together, according to the title-page, in 1700, three years before he died. To this has been added a catalogue of the much larger number of portraits to be found elsewhere in the Library, principally in the printed books. For convenience of reference this stray material has been conflated with the subject index of the albums. In this way all portraits in the Library are catalogued without obscuring the principles on which the albums were designed. ERIC CHAMBERLAIN was formerly keeper of prints at the Fitzwilliam Museum, Cambridge.

**Dutch Decorated Bookbinding in the Eighteenth Century, Volume III** Jan Storm van Leeuwen 2022-12-05 Awarded with the 15th ILAB Breslauer Prize for Bibliography 2010. This classic can be ranked among the well-known international standard works on the subject of bookbinding. The author, Dr. Jan Storm van Leeuwen, gives in this work an elaborate general historical introduction to his subject. It also contains a general introduction to each province, as they were known in the eighteenth century, and an extensive overall picture of the towns where luxury bindings were manufactured, describing the bookbinder's workshops and binderies of each town. The historical introduction is completed with a catalogue of the approximately 2000 relevant bindings in the collections of the Koninklijke Bibliotheek (National Library of the Netherlands) and its sister institution the Museum Meermanno-Westreenianum. About 1500 other bindings that the author studied over time in other collections are also described. But the most important

feature of this work is that all (nearly 10.000) stamps on these bindings are represented by a picture. Never before so many bindings (3500) have been recorded, described and discussed in such detail and with the benefit of an established model and terminology. Vol. I: General historical introduction; Noord Holland Vol. IIa: Zuid Holland Vol. IIb: Zeeland, Province of Utrecht, Friesland, Province of Groningen, Drente, Overijssel, Gelderland, Noord-Brabant and Limburg; Place unknown or irrelevant and Bindings in exceptional materials Vol. III: Catalogue of bindings in the Koninklijke Bibliotheek and the Museum Meermanno-Westreenianum; List of Bindings in other collections; Overview of Rubbings important for identification; Diagrams; Books referred to with abbreviated titles; Index to the text; Index to Catalogue and List The print edition is available as a set of four volumes (9789061943693). *The Farmers' Advocate and Home Magazine* 1925
