## **Designing Systems for Internet Commerce**

G. Winfield Treese 1998 Electronic commerce on the Internet is entering a new phase of actual deployment--more businesses are turning to the Internet for working with customers, partners, and suppliers. This book tells what's missing from the hype: an explanation of what the problems are in electronic commerce, where the technology traps lie, and how to build secure, reliable computer systems for electronic commerce.

CIO 1997-01-15 CIO magazine, launched in 1987, provides business technology leaders with award-winning analysis and insight on information technology trends and a keen understanding of IT's role in achieving business goals.
