2024-09-30 Yes, you still have power. Embrace your power and use it wisely. Let what was meant to break you reshape and redefine you in a positive way that leads to you fulfilling your purpose, reaching your full potential, and being your best. You were not created to merely occupy space. You were created with a purpose; there is a reason for your existence. The author discusses strategies that can be used to provide yourself with motivation and encouragement, build

resilience, proactively pursue your purpose, accomplish goals, and enjoy a happier, more fulfilling, and peaceful existence.

Osborne Wilson's Civil War

Diaries George Wilson

2019-03-25 Osborne joined the Confederate Army in the spring of 1861. He had no idea what he was getting into. Before he was captured in April 1865, he had been in numerous battles. In his diaries, he constantly complained about the miles and miles of marching through the countryside. He and his fellow soldiers seldom had enough food or supplies. He helped scour battlefields after the fighting, searching for food,

weapons, ammunition, and supplies. Letter writing was an everyday occurrence. Often his poor health required him to help guard the ammunition train or aid with the sick and wounded in various hospitals. Some of his writings about fighting, especially at Antietam and Gettysburg, make us wonder how any of the soldiers survived the war.
