Sing, Sing, Sing (adapted from the Stage Show Barrage) 2008-06 Straight from the Barrage stage show! Made famous by Benny Goodman, this jazz standard from the era of the Big Bands has long been one of the most popular tunes in the Barrage show. Adapted for string orchestra, this arrangement retains the feel of the show and will sound fantastic! (4:20) This title is available in SmartMusic.

Sing, Sing, Sing 1999-06 Believe it or not, this Benny Goodman classic has never been available for standard big band instrumentation. The original contains solo clarinet and less than a full compliment of brass, so we asked arranger Mike Lewis to adapt this classic tune for five saxes, four trumpets, and four trombones with rhythm section, without straying from the original feel. His chart does just that, creating a welcome addition to any jazz band library. We know you'll enjoy it! Medium (4:15)
