

The Answer John Assaraf

ANSWER definition: a spoken or written reply or response to a question, request, letter, etc.. See examples of answer used in a sentence.

Someone's answer to a question in a test or quiz is what they write or say in an attempt to give the facts that are asked for. The answer to a question is the fact that was asked for. Jul 20, 2025 · An "answer" is a reply, response, or solution that facilitates communication and understanding. Its versatility makes it indispensable in everyday language and professional discourse. answer, response, reply, rejoinder, retort mean something spoken, written, or done in return. answer implies the satisfying of a question, demand, call, or need.

ANSWER meaning: 1. a reaction to a question, letter, phone call, etc.: 2. a solution to a

problem: 3. to say.... Learn more. answer meaning, definition, what is answer: something you say when you reply to a qu...: Learn more. Answer, respond, and reply, the most general, all mean to speak, write, or act in response: Please answer my question. Did you expect the president to respond personally to your letter? To make answer; speak or write in reply to a question (expressed or implied), request, appeal, petition, prayer, call, demand, challenge, address, argument, letter, or anything said or written; reply; ... The answer depends on what "200" refers to. A null set has no elements, but then it is strange to call it 200! An answer is a return remark: an answer giving the desired information. A rejoinder is a quick, usually clever answer or remark made in reply to another's comment, not to a question.
