Jesus: His Story in Stone Mike Mason 2017-09-12 Jesus: His Story in Stone is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the book's main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

The Blue Umbrella Mike Mason 2009-10-01 When Zac Sparks's mother dies, he's sent to live in Five Corners with his cruel old Aunties. It isn't long before Zac knows something strange is going on. Five Corners is populated with weird characters—a midget butler, a girl who doesn't speak, a blind balloon seller, a mysterious singer, and the Aunties' father, Dada. Zac's first encounter with Dada is so terrifying that he faints dead away. The one bright spot is Sky Porter, a friendly soul who encourages Zac and shows him kindness. But Sky isn't what he seems either, and when Zac learns Sky's amazing secret he sees that this wonderful man may have a very dark side as well. Discovering that Dada is an evil magician who is intent on stealing the ultimate treasure, Zac knows that many lives are at stake, including his own.

Same Old, Same New Mike Mason 2024-04-10 Why is so much of our existence so ordinary? Why this immense tract of stuff in our lives that seems to have no lofty purpose? In ninety short devotional chapters, Mike Mason meditates on this question, concluding that in fact everydayness, to the extent we embrace it, is a source of deep consolation. Far from being meaningless, the humdrum and the commonplace may actually hold the secret of life. Same Old, Same New—beautifully and provocatively written and full of arresting insights—will take your old tired world, stand it on end, and spin it like a top. “Mike Mason straddles two worlds, the quotidian and the eternal. Of course those two worlds aren't separate worlds at all—and the reality of that intermingling, that co-existence of the mundane and the mystical, is perhaps the recurrent theme of Mason's writing.” ~Ron Reed, Founding Artistic Director of Pacific Theatre

The Violet Flash Mike Mason 2011-06-01 There's a rip in the blue umbrella, and time—and Chelsea—are slipping through! One moment she was there, the next moment she was not, and Ches Cholmondeley was watching when it happened. And he learns of other mysterious goings-on: for three days in a row the world's atomic clocks have lost a second, resulting in bizarre accidents ranging from dropped casseroles to plane crashes. Are these events related? What's a brother to do? Figure out a way to get his sister back, of course. In search of answers, Ches befriends the local clockmaker, Myron Stinchcombe, who knows a lot

about time, and seeks out Sky Porter, who knows a lot about, well, everything. But time is running out. And Ches is torn, knowing that the very deed that can save the world might also keep his sister from ever returning to it.
