The Jack Reacher Field Manual George Beahm 2016-01-19 You don't know Jack—Jack Reacher, that is . . . In *The Jack Reacher Field Manual: An Unofficial Companion to Lee Child's Reacher Novels*, from ex-Army major and New York Times bestselling author George Beahm, get up-close and personal with Reacher like never before. The only book of its kind, the Field Manual draws on 17 years of interviews, novels, stories, and more to demystify author Lee Child's larger-than-life, name-taking, quick-thinking one-man avenger. Child calls the Reacher novels "almost entirely autobiographical," and *The Jack Reacher Field Manual* seamlessly integrates the literary creator and his creation to provide the most complete portrait of Jack Reacher available. Dive into Jack Reacher's life with: - A detailed dossier on Reacher and his life at West Point and in the Army's Military Police Corps - Reacher's rules of engagement, including how he handles a street brawl - A full-color drifter's roadmap of the US, detailing the places Reacher has visited in the novels - Reacher's philosophy for surviving under the radar - A biography on Child and an A-to-Z list of the key people, places, and things in his life - And more, including a glossary of US Army acronyms that appear in the series and a comprehensive reading list of Reacher novels, novellas, and stories *The Jack Reacher Field Manual* belongs in the fatigue jacket of any fan craving more information about this internationally popular literary antihero.

Space, Place, and Bestsellers Lisa Fletcher 2024-06-30 From airport bookstores to deckchairs, as audiobooks downloaded by commuters, and on Kindles and other portable devices, twenty-first century bestsellers move in old and new ways. This Element examines the locations and mobilities of the contemporary bestseller as a multi-format commercial object. It employs paratextual, textual, and site-based analysis of the spatiality of bestsellers and considers the centrality of geography to the commercial promise of these books. *Space, Place, and Bestsellers* provides analysis of the spatial logic of bestseller lists, evidence-rich accounts of the physical and digital retail sites through which bestsellers flow, and new interpretations of how affixing the label 'bestseller' individual authors and titles generates industrial, social, and textual effects. Through its multi-layered analysis, this Element offers a new model for studying the spatiality of popular fiction.

Noir Fiction and Film Lee Clark Mitchell 2021 The argument of *Noir Fiction and Film* is curiously counterintuitive: that in a century of hard-boiled fiction and detective films, characteristics that at first

seemed trivial swelled in importance, flourishing into crucial aspects of the genre. Among these are aimless descriptions of people and places irrelevant to plot, along with detectives consisting of little more than sparkling dialogue and flippant attitudes. What weaves together such features, however, seems to be a paradox: that a genre rooted in solving a mystery, structured around the gathering of clues, must do so by misdirecting our attention, even withholding information we think we need to generate the suspense we also desire. Yet successful noir stories and films enhance that suspense through passing diversions (descriptive details and eccentric perspectives) rather than depending on the center pieces of plot alone (suspected motives or incriminating traces). As the greatest practitioners of the genre have realized, the "how" of detective fiction (its stylistic detours) draws us in more insistently than the "what" or the "who" (its linear advance). And the achievement of recent film noir is to make that "how" become the tantalizing object of our entire attention, shorn of any pretense of reading for the plot, immersing us in the diversionary delight that has animated the genre from the beginning.

Lee Child's Jack Reacher Books 1-6 Lee Child 2010-12-01 For the first time—the first six explosive novels in Lee Child's #1 New York Times bestselling Jack Reacher series—now together in one e-book collection! DON'T MISS REACHER ON PRIME VIDEO! KILLING FLOOR Ex-military policeman Jack Reacher isn't in the small town of Margrave, Georgia for less than an hour before he's arrested for murder. Not much of a welcome. All Reacher knows is that he didn't kill anybody. At least not lately. But he doesn't stand a chance of convincing anyone. Not a chance in hell... DIE TRYING When a woman is kidnapped off a Chicago street in broad daylight, Jack Reacher is unlucky enough to be taken with her. They're at the mercy of a group of men demanding an impossible ransom. Because Reacher's female companion is worth more than he imagines. Now he has to save them both—from the inside out—or die trying... TRIPWIRE Reacher's anonymity in Florida is shattered by an investigator who's looking for him. But soon after his arrival, the man is murdered. Retracing the PI's trail back to New York, Reacher wants to find out who was looking for him—and why. But he never expected the reasons to be so personal...or lethal. RUNNING BLIND Across the country, women are being murdered, victims of a disciplined and clever killer who leaves no evidence, no fatal wounds, no signs of struggle, and no apparent motive. They are truly perfect crimes. In fact, there's only one thing that links the victims...Jack Reacher. ECHO RUNNING Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, a lift comes with a hitch. Carmen's got a wild story—about her husband, her family, and a hometown that's pure gothic. She's also got a plan for all of them. And now Reacher's part of it... WITHOUT FAIL Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: assassinate the vice president of the United States. In theory, that is. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. And they've planned for everything...except for Reacher.

With Child Andy Martin 2019-09-10 With a foreword by Lee Child. Andy Martin spent a year in the company of Lee Child, creator of tough-guy hero Jack Reacher. *With Child* is the diary of their adventures, tracking the publication and reception of *Make Me*, the writing of *Night School* at an apartment in Manhattan, the filming of *Never Go Back* in New Orleans, all the agony and ecstasy of the creative process and the sheer hard work of selling a bestseller. They go on the road together, from TV studios to bookstores, from Harvard to Stockholm, amid literary conferences and gunshows, rivalries and reviews ranging from

adulatory to murderous. We meet fellow writers like Stephen King and David Lagercrantz and Karin Slaughter, and dissect the latest novel from Jonathan Franzen. But Martin also reaches out to Child's legion of readers in America and around the world. He tracks down a woman in Texas whose name appears in the home invasion scene in *Make Me*; he goes up a mountain in Montana in search of the only reader who thinks Reacher is a "lightweight"; and he talks to obsessive fans from Europe to South Africa who find salvation or consolation in the colossal form of Jack Reacher. This compelling account of life on the road with Lee Child demonstrates that readers are just as important as writers in the making of modern fiction.

Without Fail Lee Child 2024-03-05 Jack Reacher takes aim at the White House in the sixth novel in Lee Child's #1 New York Times bestselling series. DON'T MISS REACHER ON PRIME VIDEO! Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: to assassinate the vice president of the United States. Theoretically, of course. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. They've planned well. There's just one thing they didn't plan on: Reacher.
