Swiss News 2006-07

The Cagebirds David Campton 1976 " ... The Cagebirds is a play for eight women. Birds in a cage live, each totally absorbed in her own particular characteristics. When the Wild One is introduced into their midst by the Mistress in charge of them, she endeavours to persuade them to break out from their self-imposed dependence and imprisonment into the wider world outside - but her efforts result only in her own destruction at their hands." 200 Plays for GCSE and A-Level

Performance Jason Hanlan 2021-05-20 How do I choose a play to perform with my students that meets the curriculum requirements and also interests my class? What can I introduce my

students to that they might not already know? If you're asking these questions, this is the book for you! Written specifically for drama teachers, this is a quick, easy-to-use guide to finding and staging the best performance material for the whole range of student abilities and requirements for 15 - 18-year-olds. It suggests 200 plays suitable for students of all abilities and requirements, providing sound advice on selection and realisation, and opening up plays and playwrights you may have never known existed. Structured in 2 parts, Part 1 consists of 8 easy-to-read chapters, explaining how to get the most out of the resource. Part 2 is a vast resource listing 200 plays suitable for study/performance at GCSE and A Level. The details of each play are set out in an easy-to-navigate chart that offers introductory information on: Play Playwright Casting numbers Gender splits Ability Genre description Brief Summary Exam level Workshop ideas Warnings/advice (where necessary) Suggested

200 Themes for Devising Theatre with

11-18 Year Olds Jason Hanlan 2024-02-22
Shortlisted for Outstanding Drama Education Resource at the 2025 Music & Drama Education Awards A unique resource for drama teachers providing 200 stimuli and age-appropriate individual topics within those to help inspire and guide young people in devising performance. It contains useful information on devising techniques, workshops, schemes and lesson ideas for introducing devising and guidance on how to analyse the work and give feedback. Following on from his successful book 200 Plays for GCSE and A-Level Performance, author Jason Hanlan has once again solved one of drama teachers' most frequently encountered problems: how to unlock the best devised

performance with their students. Devising as a group requires a level of collaboration, which - without a strong framework - often descends into wild flights of fancy and a myriad of dead ends. Excellent ideas can be lost or diluted in an often-awkward attempt to tie it all together to fit a narrative. The main body of this book is a unique numbered listing of 200 stimuli, designed to both inspire and focus the mind, with an example of a possible topic and 'ways in' that would be suitable for each level: "Civil rights" Each stimuli is given its own page dedicated to exploring its possibilities as a piece of devised theatre for different age groups, and offering suggestions for plays, films and books to look at; artefacts and images to examine; ideas to consider; and further research you can draw on.
