**Intermediate Accounting** Sidney Davidson 1982

**Subject Guide to Books in Print** 2001

**El-Hi Textbooks and Serials in Print** 1986

**Intermediate Accounting, Volume 2 Update** Donald E. Kieso 2005-12-02 This bestseller has powered the careers of countless professionals. This update to the 11th edition builds on the book's reputation for comprehensiveness, accuracy, and currency, incorporating all the recent changes to the accounting literature. It integrates numerous examples from real corporations throughout the chapters to help readers understand the application of accounting principles and techniques in practice. They'll also find problems that are modeled on the AICPA 'Simulations' - a new question format designed for the computerized uniform CPA Exam. These problems prepare readers for the exam, testing their ability to read, digest, research and respond to both a numeric problem and a short answer essay. This edition does NOT include the Problem Solving Survival Guide

*Intermediate Accounting, Study Guide* Donald E. Kieso 1989-02-22 The Sixth Edition retains the traditional strengths of previous editions: accuracy, comprehensiveness, student acceptance, supporting materials, and quality and quantity of end-of-chapter material. Incorporates all FASB Pronouncements through October, 1988. Includes many new exercises, problems, updated illustrations and excerpts, a new software supplement using Lotus 1-2-3 plus a revised pensions chapter.

*Financial Accounting* Paul D. Kimmel 2023-05-15 Provide future business professionals with a practical introduction to financial accounting. With its unique focus on building students' decision-making skills and emphasis on financial statements, Financial Accounting, 9th Canadian Edition meaningfully integrates data analytics and the importance of using accounting information in real-world decision-making. Adaptive practice opportunities and engaging real-world industry examples strengthen student understanding of accounting concepts and illustrate how these are relevant to their everyday lives and future careers in business and accounting. An increased emphasis on Indigenous perspectives and environmental, social, and governance (ESG) issues serves as a first step in urging students to acknowledge their role as individuals, students, and aspiring professionals in addressing societal inequities.

*Intermediate Accounting* Joseph A. Mauriello 1950

*American Public School Law* Kern Alexander 2001 Uses the case method to provide graduate students in education as well as law students with a comprehensive view of the complex web of laws and court decisions governing the US public school system. The authors, Kern Alexander (president, Murray State U., Kentucky) and M. David Alexander (educational leadership and policy studies, Virginia Tech), range across all of the civil, criminal, and constitutional laws that touch students, teachers, and administrators. New to this edition are discussions of the Supremacy Clause, the Eleventh Amendment, sovereign powers of states, charter schools, and the refinement of the legal definition of free public schools. **Intermediate Accounting** Thomas H. Beechy 2002-04-12 What is intermediate accounting all about? There is a vast body of knowledge that must be mastered before you can account for the activities of an enterprise. It is the nitty-gritty course where it all happens. Every important financial accounting topic is included in this textbook. The book is a blend of technical knowledge; professional judgement; non-GAAP situations; a Canadian agenda; and an international view. In this book, the authors have taken a fresh look at the realities of Canadian business practice. A series of annual reports accompany this text as a value-added supplement.

**Intermediate Accounting** J. David Spiceland 2011 Adopters and reviewers praise Intermediate Accounting, 6/e, by Spiceland/Sepe/Tomassini for its superior readability, strong supplements package/learning system, good EOC, real-world flavor, consistent quality; and high student engagement. SST 6/e will gain support in both traditional and progressive accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts. The authors have created a flexible text with a student friendly writing style that focuses on explaining not only how to apply a procedure, but why its applied. SST 6/e is built around a Learning System designed to prepare students for the new CPA exam and the business world, by emphasizing decision making. Acknowledging the diversity of students and their learning styles, the authors have created a clear text and varied supplemental materials to aid the success of every student.
