Farm Animal Welfare Law Gabriela Steier 2023-08-21 This book introduces the various aspects of international farm animal protection and wildlife conservation through the lenses of food safety and environmental protection law. Bite-sized chapters focus on a wide range of topics from agrobiodiversity, fishing, and

aquaculture to pollinators and pesticides, soil management, industrial animal production, and transportation, as well as international food trade. Animal welfare and biodiversity conservation sit at the core of the selected chapters, each one providing real-world examples to make the complex field easy to understand. Current developments including food safety modernization, blockchain, and COVID-19 considerations are addressed head-on. Farm Animal Welfare Law provides a primer for law school courses and masters' programs, for practitioners, advocates, and animal enthusiasts alike. Through its emphasis on sustainable food production, this book offers a cutting-edge selection of evolving topics at the heart of the pertinent discourse.
