

An Enhanced Rough Set Based Technique For Elucidating

As an adjective, enhanced describes something that has been increased or made better, like a weather report whose enhanced maps show viewers exactly where a storm is taking place — the old maps ... To improve or augment, especially in effectiveness, value, or attractiveness: exercises that enhance cardiovascular health; spices that enhance the flavor of a sauce; renovations that enhance the ... The strength of the characters was considered to be enhanced by the quality of writing of the story, and the use of facial animation. When enhance was borrowed into English in the 13th century, it literally meant to raise something higher. That sense, though now obsolete, provides a clue about the origins of the word.
