Law and Creditor Protection in Nigeria Onamson, Friday Okafor 2017-08-08 Examined here are the legal and practical reasons for the inefficiency of the legal framework of creditor protection in Nigeria. This is amply justified considering the critical role of credit in the promotion of economic growth and development and also bearing in mind the near calamitous consequences the 2009 financial crisis unleashed not only among Nigerian banks and financial institutions, and in the international financial system. The latter nearly led to socioeconomic catastrophe in Nigeria, as well as globally. It is hoped that book is found useful by government, policy makers, academics, corporate financial experts, investment bankers and other stakeholders to initiate and implement efficient policy actions to protect creditors in order to sustain the flow of credit, the engine of any economy.

Wiley Pathways Small Business Management Richard M. Hodgetts 2007-03-16 In order to become a successful entrepreneur, one has to have a clear understanding of how to effectively manage a small business. This valuable introduction shows budding entrepreneurs how to launch and run their own firm. In addition to explaining the value and appeal of small businesses, it offers a variety of essential start-up lessons, including how to write a business plan, obtain financing, and choose a legal form for any venture.

Business Law Nickolas James 2024-11-04 Designed specifically for business students, James' Business Law, 7th Edition provides a comprehensive introduction to the fundamentals of business law. Tailored to accommodate the initial encounter with legal principles for business students, this textbook offers a clear and accessible pathway into the realm of law. Unlike traditional texts from leading legal publishers, Business Law, 7th Edition prioritizes a practical approach, emphasizing real-world applications over doctrinal intricacies. By demystifying complex legal concepts and presenting them within a business-oriented framework, this textbook equips students with the necessary foundation to navigate the legal landscape with confidence.

Business Law Robert W. Emerson 2024-12-03 Titles in Barron's Business Review series are widely used as classroom supplements to college textbooks and often serve as a main textbook in business brush-up programs. Business Law, Seventh Edition focuses on the importance of legal theory in the everyday business world, explaining such subjects as tort responsibility, government regulations, contracts, environmental law, product liability, consumer protection, and international law, among many other topics. Also discussed in detail are the legal aspects of partnerships, franchises, and corporations, as well as special topics that include business crimes, property as a legal concept, intellectual property, and similar pertinent topics. A study aid labeled Key Terms appears at the beginning of each chapter, and You Should Remember summaries are strategically interspersed throughout the text.

Business Law, 7th Edition Kuchhal M.C. & Kuchhal Vivek The book 'Business Law' deals with the fundamental branches of business law, namely, law of contract, law of sale of goods, law of partnership, law of negotiable instruments and law of limited liability partnership. Its contents have been extracted from the authors' reputed title 'Mercantile Law' that has gained tremendous readership over the years.
