**Earth Science** Edward J. Tarbuck 2017-10-12 For introductory courses in earth science. Use dynamic media to bring Earth Science to life Earth Science answers the need for a straightforward text that excites readers about the world around them. Perfect for individuals with little-to-no background in science, the text covers geology, oceanography, meteorology, and astronomy clearly and without technical jargon. Tarbuck, Lutgens, and Tasa are praised for their uncomplicated writing, dynamic media that help visualize physical processes, stunning art program that brings the “wow” factor, and valuable activities in Mastering Geology that provide activity-based learning to solidify readers’ understanding. The 15th Edition incorporates the latest data and applications from Earth Science, new data analysis activities, and an updated dynamic mobile media and Mastering Geology program. Also available as a Pearson eText or packaged with Mastering Geology Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily share their own notes with students so they see the connection between their eText and what they learn in class - motivating them to keep reading, and keep learning. Mastering combines trusted author content with digital tools and a flexible platform to personalize the learning experience and improve results for each student. Built for, and directly tied to the text, Mastering Geology enables an extension of learning, allowing students a platform to practice, learn, and apply outside of the classroom. Note: You are purchasing a standalone book; Pearson eText and Mastering Geology do not come packaged with this content. Students, ask your instructor for the correct package ISBN and Course ID. **Self-Action Leadership: the Key to Personal & Professional Freedom** Jordan R. Jensen 2015-10-09 Self-Action Leadership: The Key to Personal & Professional Freedom is a groundbreaking personal leadership manual that introduces a metaphysical (or self-help) Theory of Everything. In the book, Dr. Jensen interweaves nearly three decades of personal experiences, literature reviews, and action research into an original Theory and Model of personal leadership called Self-Action Leadership. In the narrative sections of his book, Dr. Jensen describes the life and career challenges he has faced and overcome while struggling to manage obsessive-compulsive disorder (OCD) and depression. Self-Action Leadership is the most comprehensive personal leadership handbook to hit the market since Dr. Stephen R. Covey's 7 Habits of Highly Effective People.
