Effective Reading Student's book Simon Greenall 1986-08-14 In order to read effectively in English, advanced learners need to develop a range of skills. Effective Reading provides a wide variety of interesting, up-to-date reading material with

challenging and motivating exercises which develop the relevant skills. All the texts are authentic and come from many different sources including contemporary British and American novels, newspapers, magazines and advertising. Each unit contains one or two reading passages, four or five skills exercises, and suggestions for further work. The Teacher's Book gives useful background information on the texts, answers to exercises and more ideas for follow-up work.
