Getting Started with Windows 10 and Microsoft Edge

Faithe Wempen 2016
Students will be familiar with Windows 10, but you can give them the tools they need to master it. With *Paradigm's Getting Started with Windows 10 and Microsoft Edge*, your students will learn the essentials of the new (and world's most popular) operating system and web browser. This book teaches students how to use Windows 10 to accomplish basic tasks on a personal computer, such as running programs and managing files, as well as how to customize and maintain Windows. It also introduces them to the Microsoft Edge browser and shows them how

to find information on the Internet. In addition, it covers Microsoft applications designed to optimize use of a Windows 10 computer in a personal, work, or academic environment. Your students will learn how to access OneDrive, a secure online storage location, and how to use Office Online apps. They will also learn how to take screenshots and how to collect, organize, and share research data using OneNote. *Getting Started with Windows 10 and Microsoft Edge* is integrated with SNAP for competency-based learning and interactive training tutorials! Packaged with the text is the student eBook. The eBook provides access to the Precheck quizzes, student data files, interactive tutorials, Online Extras, end-of-chapter workbook materials (including PowerPoint presentations, review exercises, and assessments), and other student resources

that support the text.

the current internet explorer have been reassured, that due to the need to maintain compatibility with older model devices, that browser will be stay in production. Despite its relatively new status on the market, the reviews on its performance and on user expectations are widespread. Reviews include improved performance of JavaScript as well as improved speed when compared to current browsers on the market. Other positive reviews on the product include the ability to write on pages, locate items on the web with improved speed and to enjoy a site with minimized advertisements.
