When you want more of something, you don't have enough. This is a comparative word that has to do with addition. It's also the opposite of "less." You use more to indicate that there is a greater amount of something than before or than average, or than something else. You can use 'a little,' 'a lot,' 'a bit,' 'far,' and 'much' in front of more. MORE definition: in greater quantity, amount, measure, degree, or number. See examples of more used in a sentence. Examples of more in a Sentence Adjective I felt more pain after the procedure, not less. The new engine has even more power. You like more sugar in your tea than I do. The shot hurt more than I expected. This cake is pretty good, but I'd like it (even) more if it had chocolate frosting. It happens more often than it used to. More or less means 'mostly', 'nearly' or

'approximately'. We use it in mid position (between the subject and main verb, or after the modal verb or first auxiliary verb, or after be as a main verb). (used with a pl. verb) A greater or additional number of persons or things: I opened only two bottles but more were in the refrigerator. &more Health ... &more Health Jun 3, 2015 · Given that emotions such as shame, guilt, embarrassment and others involve a violation of a social more or rule, these are often called the social emotions, self-conscious emotions or ... A greater or additional number of persons or things. I opened only two bottles but more were in the refrigerator.
