*World History in Brief* Peter N. Stearns 2002 \* Understanding Culture sections help students explore cultural causation and other cultural issues in world history. \* An increased number of World Profiles (formerly Biographical Portraits) provide additional emphasis on the human component of world history. Website references allow further exploration as well. \* A Companion Website provides students and professors with a wealth of resources, including a syllabus manager, student practice tests, web activities, chapter links, and a glossary. \* A StudyWizard CD-ROM helps students learn the major facts of concepts of world history through drill and practice exercises and diagnostic feedback. Students receive individual, self-paced review of text material using multiple-choice, short-answer, and true/false questions, and detailed feedback. \* Web Links at the end of each chapter encourage students to further explore a particular topic or period. \* A comprehensive, full-color Gatefold Timeline, free in every new copy of the text, gives students a chronological context in which to place their knowledge and compare important political and diplomatic, social and economic, and cultural and technological events as they occurred across the

*Jews in Medieval England* Miriamne Ara Krummel 2018-01-08 This volume examines the teaching of Jewishness within the context of medieval England. It covers a wide array of academic disciplines and addresses a multitude of primary sources, including medieval English manuscripts, law codes, philosophy, art, and literature, in explicating how the Jew-as-Other was formed. Chapters are devoted to the teaching of the complexities of medieval Jewish experiences in the modern classroom. *Jews in Medieval England: Teaching Representations of the Other* also grounds medieval conceptions of the Other within the contemporary world where we continue to confront the problematic attitudes directed toward alleged social outcasts.
