Surgical SBAs for Finals with Explanatory Answers Thomas Hester 2009 Single best answer (SBA) questions are increasingly popular in medical examinations, and can be challenging: more than one answer may at first appear correct, creating pitfalls for the unwary. This book has been written for medical students throughout their clinical years, including a mixture of clinical and basic science questions that cover the essential topics of surgery. The questions test and reaffirm knowledge through clinical scenarios, making the subject matter engaging, enjoyable and memorable. Explanatory answers both aid learning and help candidates identify areas where further revision is needed.

Essential Notes for Medical and Surgical Finals Kaji Sritharan 2021-04-14 Covering both medicine and surgery, this book is the essential revision companion for all medical students and a valuable source of knowledge for junior doctors at all stages of their training. It is useful both in the early preparatory phase of revision as well as for last minute cramming, and for use on the wards. This book divides the medical and surgical curricula into over twenty key sections and concisely covers the relevant information for each, including definitions, aetiology, key clinical features, investigations, and management. Examinations for undergraduate medical students and at postgraduate level can take a number of forms, including multiple choice and extended matching questions, single best answers, short notes, vivas and OSCEs. The book provides the necessary information to tackle all these exam formats successfully, as well as to manage each topic competently should it arise in clinical practice. Compact and user-friendly, this book is the ideal revision tool.

The questions will test your problem-solving and decision-making skills in a structured and objective way. The key features include: a new chapter on Intensive Care and Anaesthesia; contains expanded teaching notes with each answer to help the reader clearly understand the subject matter; questions are designed to test problem-solving and decision-making skills; balanced selection of core surgical cases giving students an invaluable method of self assessment; and revision checklist to track progress and plan revision. This revised and updated title from PasTest is the new edition of the best-selling *Surgical Finals: Structured answer and essay questions*.

Clinical Cases for the FRCA Alisha Allana 2022-02-17 The Final FRCA Viva is the last postgraduate examination many trainees will ever take. Preparation is invaluable not only to pass the exam, but also to feel ready to take the next steps to becoming a senior registrar. This book provides short, succinct clinical cases that are mapped to the RCoA curriculum and are suitable for use when teaching or as a viva revision guide. Using this guide will ensure that FRCA exam questions can be answered correctly and confidently. It is suitable primarily for candidates preparing for the Final FRCA, but also helpful for those preparing for Primary FRCA, FFICM and EDIC, as well as for those running teaching courses and simulation programmes.

Clinical Consultation Skills in Medicine Ernest Suresh 2023-08-31 This book follows the revised format of the Practical Assessment Clinical Examination Skills (PACES) exam conducted by the Royal College of Physicians in

the UK, where 'clinical consultation skills' will be tested twice in two separate stations. Thus, coming closest to what doctors do in real life: obtain a structured history, perform a focussed examination and explain the problem to the patient in lay terms. This book takes readers through a rational approach to 63 common presenting symptoms or laboratory abnormalities in medicine. It is aimed at improving the clinical consultation skills of young doctors and preparing them for the new format of MRCP PACES. Readers will learn: 1. The approaches to common presenting symptoms and blood test abnormalities. 2. What questions to ask the patient and why. 3. What to check when they examine the patient. 4. What to tell the patient and how to convey this information in lay terms without jargon. 5. How to investigate the problem, how to manage and when to refer to a specialist. Key Features • This book follows a narrative style with each case being discussed in a story-like manner, helping readers understand the process of narrowing the differential diagnosis, just like solving a crime! • It includes a 'What to tell the patient' section, where the main points to convey to the patient are highlighted and fully dialogued to help readers understand how complex medical jargon should be conveyed in layperson's terms. • It simplifies several complex and difficult-to-understand topics like haematological malignancies, thrombotic microangiopathy, glomerulonephritis, systemic vasculitis and eosinophilia.

The Ultimate Guide to Passing Surgical Clinical Finals Mohammed Faysal Malik

2021-07-28 Medical students lack information on preparing for clinical surgical finals, particularly on common mistakes and the features which identify successful candidates. The Ultimate Guide to Passing Surgical Clinical Finals is an accessible and comprehensive preparation aid, equipping final year medical students with the knowledge and skills that they are expected to demonstrate both in clinical surgical finals and in clinical practice as junior doctors. Its tutorial-style approach provides advice on how to think logically, speak coherently, and demonstrate both breadth and depth of knowledge - all key hallmarks of successful candidates. The book's broad approach reflects the full range of skills and knowledge covered by modern curricula, including instruments, procedures and the increasing use of surgical imaging. It is vital reading for clinical year medical students preparing for final examinations in surgery, and for postgraduate students who wish to improve their presentation, viva and OSCE clinical examination skills. 'This book's approach is in the best surgical traditions of ordered thinking when it comes to the examination itself. I admire this book and commend it to you.' - From the Foreword by David E Khoo
