The Complete Works of Florence Scovel Shinn

Florence Scovel Shinn
2025-07-24 Florence Scovel was born in Camden, New Jersey, the daughter of Alden Cortlandt Scovel and Emily Hopkinson Scovel. Her great, great, grandfather, Francis Hopkinson, signed the Declaration of Independence and is the earliest documented American composer of song. She was educated in Philadelphia where she attended the Pennsylvania Academy of the Fine Arts and

there met her future husband, the artist Everett Shinn. After marriage they moved into a studio apartment at 112 Waverly Place, near Washington Square, New York. Everett built a theatre next door, and wrote three plays in which Florence played a leading role. They spent their summers in Plainfield (Cornish Art Colony), New Hampshire in a Colonial-style house designed by her husband. Florence and Everett divorced in 1912.

Florence worked as an illustrator in the early 1900s. She illustrated fiction in Harper's and other magazines, as well as popular novels such as Mrs. Wiggs of the Cabbage Patch (1901). The Society of Illustrators elected her to an Associate Membership in 1903, even though it did not admit women to full membership in the organization until 1922. Her metaphysical works began with her self-published The Game of Life and How to Play it in 1925. Your Word is Your Wand was published in 1928 and The Secret Door to Success in 1940. After her

death another two works were published, *The Power Of The Spoken Word* in 1945. *The Game of Life and How to Play it* includes quotes from the Bible and anecdotal explanations of the author's understanding of God and man. Her philosophy centers on the power of positive thought and usually includes instructions for verbal or physical affirmation.

Magic Eye Beyond 3D Marc Grossman 2004-06 I have seen incredible changes in people's overall behavior by viewing Magic Eye images, including vision improvement. This book discusses some of the types of behavioral changes that my patients have reported as well as what possible physiological and psychological mechanisms may account for these changes." -Dr. Marc Grossman
When Magic Eye images hit the

publishing world in the 1990s, the response was as magical as the 3D images popping from their colorful backgrounds. Viewers couldn't get these best-selling books fast enough. In fact, *Magic Eye I, II, and III* rode the *New York Times* best-seller list for 34 weeks and eventually sold more than 20 million copies. Now *Beyond 3D: Improve Your Vision with Magic Eye* takes this phenomenon to another level. *Beyond 3D* examines the medical benefits and scientific possibilities related to viewing these remarkable images. Clearly explained in lay terms and through the use of numerous Magic Eye illustrations, the book not only helps readers "see" the images, it identifies and demonstrates the many physical and performance-related enrichments that may result, including: * reduced computer eyestrain * diminished stress levels * improved overall vision * lengthened attention span

Summary of Florence Scovel Shinn's The Magic Path of Intuition

Everest Media, 2022-06-22T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The principles in this book are as relevant today as they were when they were written over half a century ago. They apply to everyone, not just spiritual seekers. #2 The full and unedited version of Miss Shinn's work is reproduced in the first part of this book in a series of ten lessons. I encourage the reader to read through this original version once through and soak up the message. Then, in the second part of this book, I juxtapose

my interpretation and modern-day messages alongside the original text, so that you have the advantage of reading the original text again along with a modern day perspective. #3 Prayer is about preparation. You must act as if you expect to receive what you ask for, because that is how the subconscious mind will be impressed with expectancy. Through following your intuition, you often go for one thing and get another. From the superconscious, what you should know will be revealed to you. #4 The Game of Life is a game of boomerangs. Whatever you send out comes back. Jesus said to do unto others as you would be done by them. You cannot hurt anyone without hurting yourself. All of us are linked by a mysterious magnetic force.
