The Optimist 1901

And Playing the Role of Herself K. E. Lane
2006 Actress Caidence Harris is living her dreams after landing a leading role among the star-studded, veteran cast of 9th Precinct, a hot new police drama shot on location in glitzy LA. Her sometimes-costar Robyn Ward is magnetic, glamorous, and devastatingly beautiful, the quintessential A-List celebrity on the fast-track to super-stardom. When the two meet on the set of 9th Precinct, Caid is instantly infatuated but settles for friendship, positive that Robyn is both unavailable and uninterested. Soon Caid sees that all is not as it appears, but can she take a chance and risk her heart when the outcome is so uncertain?

Helping Young Children with Behaviour

Difficulties M. Chazan 2025-12-01 First published in 1983, *Helping Young Children with Behaviour Difficulties* aims to help all teachers involved with groups of young children to deal constructively with any behaviour problems they may encounter in their daily work. The book provides guidance on—selecting children in need of special help; finding out comprehensive information about the child's difficulties; and planning and carrying out measures which will lead to the better adjustment of the child in the group or classroom. Illustrative case studies are used to show the value of the guidance offered in this book. All approaches emphasise the value of a positive, consistent, and sustained teacher-child relationship, both on a one-to-one basis and in group activities. The handbook also emphasises the desirability of using the child's

strengths as a basis from which their difficulties can be tackled. It highlights the need for clear aims and objectives in planning intervention, the importance of flexibility and careful record-keeping, and the value of working closely with parents. The book adopts a systematic approach throughout and includes several detailed assessment schedules, recording charts, and a behaviour checklist developed by the authors. *Complicite, Theatre and Aesthetics* Tomasz Wiśniewski 2016-10-27 This book presents a pioneering critical study of Complicite's work throughout the years. Drawing on an extensive overview of the available research material - including interviews, manuscripts and the company's own archive - the book is framed within a clearly defined research perspective and explores the singularity of theatre communication. The book results from an encounter between the London-based - but cosmopolitan in scope - company, and a fresh application of the form-oriented scholarship of Eastern Europe, Yuri Lotman's semiosphere in particular. Focused on the aesthetics of Complicite, this study achieves a critical distance and undertakes multidimensional scrutiny of the available research material. By identifying the principles of Complicite's aesthetics, the book attempts to grasp the company's artistic paradigm. It focuses on ways of creating, preserving, and decoding meanings, rather than on the nuances of performance or contextual issues.

Sexual Perversions, 1670-1890 Julie Peakman
2009-07-30 This book is a fascinating glimpse into the history of sexual perversions and diversions including fetishism, cross-dressing, effeminate men and masculinised women, sodomy, tribadism, masturbation, necrophilia, rape, paedophilia, flagellation, and sado-masochism, asking how these sexual inclinations were viewed at a particular time in history.

Becoming and Being a Play Therapist Peter Ayling 2019-02-08 Becoming and Being a Play Therapist: Play Therapy in Practice presents a rich and illuminating account of current play therapy practice, with an emphasis on becoming and being a play therapist and on some of the varied clinical contexts in which play therapists work. Written by members of British Association of Play Therapists, this book highlights the current complexity of play therapy practice in the UK and reflects the expertise of the collected authors in working with emotional, behavioural

and mental health challenges in children and young people. Divided into three parts, the book is designed to build on and consolidate the principles and professional/personal competences of play therapy practice. Key topics include: Training and establishing oneself as a play therapist in the UK, a comprehensive guide. The improvisational practitioner; therapist responses to resistance and aggressive play. Systemic considerations in play therapy with birth families and adopters; advantages and challenges. Case-study based explorations of play therapy across a range of service user groups, including childhood trauma, bereavement and sexual abuse, and agency contexts, including school and CAMHS settings. Becoming and Being a Play Therapist will be relevant both for play therapy trainees and for qualified play therapists as well as for related professionals.
