Bad Behavior Mary Gaitskill 2025-07-08 National Book Award finalist
Mary Gaitskill's classic debut collection from the 1980s—powerful stories of dislocation, longing, and desire. Now towering and inevitable in its influence on writing by and for young urbanites, *Bad Behavior* heralded Mary Gaitskill's arrival on the literary scene and her establishment as one of the sharpest writing talents of her time, or any time: exquisitely funny and startlingly honest; bold and eye-opening on relationships, sex, and the erotic. Set in Manhattan's Lower East Side and peopled with artistic freelancers and intelligent sex workers, smug yuppies and love-torn masochists, *Bad Behavior* depicts a world equally cruel and tender, where romance and danger go hand in hand. Gaitskill delivers unforgettable stories of a disenchanting and rebellious urban fringe generation groping for human connection.

Don't Cry Mary Gaitskill 2021-11-11 Full of jagged, complex emotion and powerful, incisive writing, the stories in this book are a testament to Mary Gaitskill's incomparable excavation of character. 'An Old Virgin' describes a nurse's obsession with her forty-three-year-old patient's virginity; 'Folk Song' dissects the lives of people behind newspaper headlines, including a murderer who gives a prime-time interview and a woman attempting to break a world record by having sex with one thousand men; in the title story 'Don't Cry', a grieving widow reflects on her marriage whilst accompanying a friend on a journey to adopt an Ethiopian orphan during a violent election season; and a musician accidentally steals a girl's soul during a one-night stand in the urban fable 'Mirrorball'.

Pop-Feminist Narratives Emily Spiers 2018-04-12 In *Pop-Feminist Narratives*, Emily Spiers explores the recent phenomenon of 'pop-feminism' and pop-feminist writing across North America, Britain, and Germany. Pop-feminism is characterised by its engagement with popular culture and consumerism; its preoccupation with sexuality and transgression in relation to female agency; and its thematisation of intergenerational feminist discord, portrayed either as a damaging discursive construct or as a verifiable phenomenon requiring remediation. Central to this volume is the question of theorising the female subject in a postfeminist neoliberal climate and the role played by genre and narrative in the articulation of contemporary pop-feminist politics. The heightened visibility of mainstream feminist discourse and feminist activism in recent years—especially in North America, Britain, and Germany—means that the time is ripe for a coherent comparative scholarly study of pop-feminism as a transnational phenomenon. This volume provides such an account of pop-feminism in a manner which takes into account the varied and complex narrative strategies employed in the telling of pop-feminist stories across multiple genres and platforms, including pop-literary fiction, the popular 'guide' to feminism, film, music, and the digital.

Bad Behavior Mary Gaitskill 1988 This collection of nine stories by Avery Hopwood Award-winner Gaitskill marks the debut of a promising and provocative new voice. These are tales of sexual obsession, drug addiction, the darkest sides of human relationships. Several of the stories feature young women working as prostitutes. Gaitskill's characters possess a curious combination of wit and naivete. When asked about her career a character in "Connection" answers, "I want to work at Dunkin' Donuts when I get out of school. I want to get fat. Or be addicted to heroin. I want to be a disaster." Gaitskill has a fresh and original ability to reproduce the rhythms of unhappy talk, from intellectual hookers to unfulfilled veterinarians. Her observations of the details are acute: A radio emits "horribly optimistic fiddle music." On a New York street a character eyes "with disaffection and contempt the neatly hatted and booted, dyed and moisturized strangers marching toward her." Comparisons to Tama Janowitz are inevitable, but Gaitskill's humor is more subtle and her writing has a precision and depth than can charge a dreary setting with significance. *Bad Behavior* is about bad behavior and more. Writing about human nature at its most perverse and hopeless, Gaitskill has created an intimate and almost beautiful series of images.
