Knit India Through Literature Volume I - The South Sivasankari 2024-05-23 'Knit India Through Literature...' is a mega literary project, first of its kind in Indian literature, is the result of the penance-yagna done for 16 years by Sivasankari, noted Tamil writer. 'Knit India Through Literature' has involved intense sourcing, research and translation of literature from 18 Indian languages. The project she says aims to introduce Indians to other Indians through literature and culture and help knit them together. The interviews of stalwart writers from all 18 languages approved by the eighth schedule of Indian Constitution, accompanied by a creative work of the respective writer are published with her travelogues of different regions, along with an

indepth article by a scholar on the cultural and literary heritage of each of the language, in four volumes - South, East, West and North respectively. Her travelogues, her interviews and the overview of each literature she has sought, all reveal one important unity... the concern our writers and poets express in their works for the problems that beset our country today. Through her project Sivasankari feels writers can make an invaluable contribution with their writings to change the thinking of the people and help eliminate those problems. In this volume 'South' she deals with four languages Malayalam, Kannada, Telugu and Tamil that are spoken in southern region of India.
