*World Governments Workbook* Campagna  
2019-01-02 The World Governments workbook explores how governments are formed, what institutions and processes are needed to sustain a government, and how governments around the world are similar and different. World Governments compares 13 nations and governments from around the world. Each nation is profiled with information about the country, a brief summary of the type of government, and a discussion of current issues that are important to the nation. The reading selection is followed by review exercises that include matching, fill-in-the-blank, and critical thinking exercises. This workbook is correlated to current national, state, and provincial standards. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle- and upper-grade classrooms. Designed by leading educators, the product line covers a range of subjects including mathematics, sciences, language arts, social studies, history, government, fine arts, and character.
