Prophet Shepherd Bushiri

Peter K Prince 2023-03-22 Shepherd Bushiri, a self-described prophet and the founder of the Enlightened Christian Gathering Church (ECG), is well-known for his divisive doctrine and affable demeanor. Bushiri, a 1983 Malawian native, claimed to

have been called by God to share the faith at an early age and started his religious profession. He is a loving preacher of the faith. He's always been standing erect and unconquered despite the many difficulties he's encountered, just like other famous church preachers. What a guy of power and conviction! Learn about the struggles, triumphs, honors, and accomplishments Bushiri made to society and Christianity in this novel. In addition, there are some important lessons that you can apply to your own life and ministry. Happy reading.

Pentecostalism and Cultism

in South Africa Mookgo

Solomon Kgatle 2021-02-28

Pentecostalism is a growing movement in world

Christianity. However, the growth of Pentecostalism in South Africa has faced some challenges, including the abuse of religion by some prophets. This book first names these prophets and the churches they lead in South Africa, and then makes use of literary and media analysis to analyse the

religious practices by the prophets in relation to cultism. Additionally, the book analyses the "celebrity cult" and how it helps promote the prophets in South Africa. The purpose of this book is threefold: First, to draw parallels between the abuse of religion and cultism. Second, to illustrate that it is cultic tendencies, including the celebrity cult, that has given rise to many prophets in South Africa. Last, to showcase that the challenge for many of these prophets is that the Pentecostal tradition is actually anti-cultism, and thus there is a need for them to rethink their cultic tendencies in order for them to be truly relevant in a South African context.
