### **Face2face. Intermediate. Workbook** 2006

*Face2face Intermediate Workbook Answer Key Italian Edition* Chris Redston 2007-01-16 Face2face is a general English course for adults and young adults who want to communicate quickly and effectively in today's world. This Workbook Answers section is available separately from the pack, which is a saleable item. The presentation and practice of vocabulary and grammar are of equal importance and there is a strong focus on listening and speaking with an emphasis on 'real world' language for social situations. The listening and reading material provides fresh new angles on universal topics, and students are given numerous opportunities to practise new language through a wide variety of communicative activities, many of which are personalized. face2face is also fully compatible with the Common European Framework of Reference for Languages and gives students regular opportunities to evaluate their progress. Each self-contained double-page lesson is easily teachable off the page with minimal preparation. The Teachers Books contain optional photocopiable resources and tests, ensuring that the course can be tailored to the needs of different classes. Each level provides approximately 80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resource material and extra ideas in the Teacher's Book. The Student's Books are packaged with a free CD-ROM/Audio CD which offers hundreds of extra practice activities, video sequences, recording capability, customizable texts and much more.
