The Preceptor's Handbook for Pharmacists remains the go-to, authoritative resource for both new and experienced pharmacy preceptors. When you are a preceptor, you create a lifelong impact on young pharmacists.

Administrative Leaders and School Counselors Lisa A. Wines 2023-09-26 This practice-based text offers a roadmap to optimal collaboration for all school leaders - including counselors, superintendents, principals, and university faculty - to provide the best mental health outcomes for students. Administrative Leaders and School Counselors is a timely publication that creatively and cohesively authenticates the relationship between administrative leaders and school counselors. In order to systemically promote mental health consciousness and considerations for school counselors as practitioners and in training, collaboration among school leaders is essential for comprehensive school counseling programs, practices, funding, partnerships, and services designed for students. The first to feature perspectives from a diverse set of leadership positions in schools, the book provides individuals with exposure to educational leadership models and decisions that impact the roles of school counselors. The book will appeal to faculty who are teaching and training those who are or will ultimately be working as professional school counselors, counseling psychologists, or educational leaders such as principals, directors, department chairs, and superintendents.

The School Library Media Facilities Planner Thomas L. Hart 2006 "This book presents timely information on designing, building, remodeling, and equipping library media centers. Chapters cover every phase of the process, from assessing needs, allocating space, selecting furniture, and working with the architect to moving into the new facility. . . .A CD 'view book' of several Florida libraries allows the user to see and hear librarians describe the pros and cons of their individual libraries."--Booklist.

Quality Assurance and Quality Improvement Handbook for Human Research Leslie M. Howes 2019-11-05 Helping human research protection program professionals create, implement, and evaluate quality assurance/quality improvement programs. Quality Assurance and Quality Improvement Handbook for Human Research is the first comprehensively designed instructional manual aimed at teaching human research protection program (HRPP) professionals how to create, implement, evaluate, and improve QA/QI programs. Geared toward institutions and individuals responsible for establishing new QA/QI programs or functions, the book offers several organizational models for consideration. It also provides practical information for improving and strengthening established programs, both big and small. Written in a conversational style, the book's step-by-step instructions make it easily accessible to those who may not be well versed in QA/QI concepts and fundamentals. Developed by the QA/QI Subcommittee of the Harvard Catalyst Regulatory Foundations, Ethics, and Law Program, which is committed to designing and strengthening QA/QI programs and functions, this volume • includes contributions by fifteen experts with diverse professional experiences from varied organizations • is enhanced with flow charts, examples, sample forms, and templates • incorporates model slide presentations and instructional materials • discusses the respective benefits and challenges of different organizational models • is applicable across many organizational types with a variety of reporting structures and available resources, including academic and medical institutions Perfect for both seasoned personnel and newcomers to the field, Quality Assurance and Quality Improvement Handbook for Human Research is a needed resource for ensuring investigative accountability.
