Common Christianity /

Uncommon Commentary

Bob Walters 2011-11-28 This

book is a compilation of five

years of weekly Christian

newspaper columns with

thoughtful and often wry

reflections on Christianity,

Christian life, and modern

culture. Written by late-to-the-

faith journalist and

communications executive Bob

Walters, the columns have

been published in the weekly

""Current"" local general

interest newspapers in Carmel,

Westfield, Noblesville and

Fishers, Indiana, on the

northside of Indianapolis since

the paper's founding in

October 2006. It's uncommon

for a newspaper to provide this

kind of direct, believer's

commentary on common

Christian themes, hence the

title - Common Christianity /

Uncommon Commentary.

Foreword by Dr. David Faust,

President, Cincinnati Christian

University.

CSB Fisher of Men Bible,

Hardcover CSB Bibles by

Holman 2018-07 What does the

Bible say about forgiveness and

thanksgiving? What does it say

about loneliness and

depression? What verses would you use to share your faith or answer difficult questions about other world religions? Where in the Bible would you find answers about your purpose in life? We know the Word of God has the answers to all of these topics and so many more, but oftentimes we don't know where to find them. The CSB Fisher of Men Bible, is a one-of-a-kind tool designed to help you navigate the Word of God for almost any life situation or conversation. It features a 28-page guide that is divided into six main themes: Counseling, Devotion, Evangelism, Church, Christian Doctrine, and Apologetic (these themes can be found with the Holy Bible text). An excellent tool for beginning in-depth Bible study for both men and women. From felt-need topics such as marriage, finances, and forgiveness to spiritual growth topics like apologetics and Christian doctrine, the Bible guides you to the first verse in a chain of a particular topic. There you will find a brief commentary as well as the

second reference verse in the chain. Most chains have 4-5 Bible verses. The CSB Fisher of Men Bible features the highly readable, highly reliable text of the Christian Standard Bible(R) (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others. Whether you are looking for a CSB study Bible, journaling Bible, or reference Bible, the CSB is a translation that focuses on serving people's understanding of God's Word.

Apologetics at the Cross Joshua
D. Chatraw 2018-05-15 2019

Outreach Magazine Resource
of the Year: Apologetics • 2018

The Gospel Coalition Book

Award: Evangelism &

Apologetics Apologetics at the
Cross describes a much-needed
approach to defending

Christianity that uses Jesus as
a model and the letter of 1

Peter as a guiding text. This is
a guidebook for how to defend

Christianity with Christ-like
gentleness and respect toward

those who persecute the faith,
making you a stronger witness

to the good news of the gospel
than many other apologetics

books that focus on crafting
unbreachable arguments.

Joshua D. Chatraw and Mark D.
Allen first provide an

introduction to the rich field of
apologetics and Christian

witness, acquainting students
and lay learners with the rich

history, biblical foundation, and
ongoing relevance of

apologetics. Unique in its

approach, *Apologetics at the
Cross*: Presents the biblical and

historical foundations for
apologetics. Explores various

contemporary methods for
approaching apologetics. Gives

practical guidance in "how to"
chapters that feature many

real-life illustrations. But their
approach pays special attention

to the attitude and posture of
the apologist, outlining

instructions for the Christian
community centered on

reasoned answers, a humble
spirit, and joy; rather than

anger, arrogance, and
aggression. Chatraw and Allen

equip Christians to engage
skeptics with the heart as well

as the mind. Conversational in
tone and balanced in approach,

Apologetics at the Cross
provides a readable

introduction to the field of
apologetics. You'll be informed

and equipped for engaging a
wide range of contemporary

challenges with the best in
Christian thought.
