Geography 2019 V1.1 Geography teaches us about the significance of 'place' and 'space' in understanding our world, by observing and measuring spatial, environmental, economic, political, social and cultural factors. The Geography Alternative Sequence (AS) is suited to students who are interested in pathways beyond school that lead to tertiary studies, vocational education or work. The Geography Alternative Sequence has the same syllabus objectives, underpinning factors, and pedagogical and conceptual frameworks as the Geography General Senior Syllabus. The Geography Alternative Sequence has the same

subject matter as the Geography General Senior Syllabus to ensure comparable complexity and challenge in learning and assessment, but the subject matter is organised differently.
