Apr 28, 2021 · Have anyone here tried to make a model/ bot/ algorithm to trade the sport? I'm currently working on one but was curious on if anyone else would be willing to shine some light on the subject. Jun 28, 2024 · I appreciate everyone that commented on my post. The consensus seems to be that AI can provide useful information to help in the handicapping process. I am playing around with some ... Jun 4, 2023 · That's what most people use speed figures for though, the figure takes the raw finish time and puts it into an algorithm that spits out a score for how good the time actually is given all those ... Jun 21, 2023 · I believe their algorithm gives preference to recent races and I'm not sure how it takes into account trouble that a horse got into which could have taken it out of its preferred running style. Jul 16, 2021 · A few geeks get together and fine tune a computer algorithm on winning bets. There are companies now (look them up on Google) that have collected every single race result in history. I have been building out a model as a side project over the last month while also reading "Betting Thoroughbreds for the 21st Century". I have come up with the following categories to score horses ... May 11, 2024 · What is the ai using to make this prediction? Does use an algorithm to come up with this or is it just a chat bot that picks winner based off odds and barely uses other data.
